Von M.L. Gardner : 1930: Book Three (The 1929 Series) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised 1930: Book Three (The 1929 Series) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. How it continues...Von Kindle CustomerAfter finding myself totally sucked in by Jonathan's Cross, I was eager to step across the threshold of Aryl's Divide. Too deep was the trauma Aryl's assumed death had inflicted on the trio of couples (and me as a reader). If their struggles with their fall from societal grace - and the looming specter of Jonathan's nemesis -

had provided a menacing drum beat in the previous book, this tale of Aryl (and Caleb's!) addiction provided the bass line for this part of the story. The tapestry of characters (main and secondary) is richly woven; the possible outcomes of individual storylines complex. I'm hooked.

Kurzbeschreibung After the gloomy memorial, the formerly pampered 1929 characters mourn the loss of Aryl Sullivan. Claire, now a pregnant widow, is too devastated to cope and withdraws from the group, delving into a deep depression. Caleb drowns his own sorrow in a bottle of whiskey, and Jonathan becomes obsessed with finding the true cause for the boat's explosion. And Ava anxiously awaits the birth of their child. As the family and friends come to grips with Aryl's death, the struggle to survive both emotionally and financially strains everyone in different ways. So it's up to Maura to see them past the worst of it, but she faces setbacks of her own when complications arise in her pregnancy. The new sheriff, Marvin, is working both sides of the law and takes advantage of Caleb's state, getting him involved in bootlegging that threatens the business and his family. A concerned Patrick tries to help him, but stubborn as a mule, Caleb won't listen. But the gears of life slowly start to move again, and new friends are made and old enemies return. Claire finds refuge in Gordon, a widower, and the two find a common bond, finally allowing her to move on and accept her new life. Until she's met with a shocking surprise.
