**Von James Patterson, Maxine Paetro : 4th of July (Women's Murder Club) (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised 4th of July (Women's Murder Club) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 8 von 8 Kunden fanden die folgende Rezension hilfreich. Ein echter James Patterson - Spannend bis zur letzten Seite Von Ein Kunde Auch die 4. Folge des "Women's Murder Club" erfüllt alle Erwartungen der Fangemeinde von James Patterson. Police Lieutenant Lindsay Boxer wird nach einer

Verfolgungsjagd mit tödlichem Ausgang vom Polizeidienst suspendiert und von der Familie des Opfers verklagt. Während des laufenden Geschworenengerichtsprozesses sucht die emotional verunsicherte Lindsay nach Erholung im Hause ihrer Schwester, die mit ihrer Familie in den Urlaub gefahren ist. Doch in dem kleinen und scheinbar friedlichen Ort treibt ein Serienkiller sein Unwesen. Natürlich kann Lindsay Boxer der Versuchung nicht widerstehen und wird immer tiefer in den mörderischen Fall hineingezogen ...Das Buch ist - wie alle Bücher von James Patterson - spannend, sehr unterhaltsam und emotional. Teilweise erinnert die Geschichte etwas an die Alex Cross-Serie des Autors. Insbesondere die emotionale Beschreibung der handelnden Hauptfiguren und die Weitererzählung der Love Story zwischen Lindsay mit Joe sind aus meiner Sicht sehr gelungen. Weniger gut hat mir das etwas konstruierte und weniger glaubwürdige Ende gefallen. Auch die Freundinnen aus dem "Women's Murder Club" spielen bei "4th of July" im Vergleich zu den ersten drei Folgen leider eine eher untergeordnete Rolle. Dennoch hat das spannende Buch seine 4 Sterne voll verdient. "4th of July" wird insbesondere allen James Patterson-Fans und den Lesern der ersten drei Folgen des "Women's Murder Club" sehr gut gefallen. 2 von 2 Kunden fanden die folgende Rezension hilfreich.

Routiniert Von Daniel Fischer Erneut ein Patterson: Sehr kurze Kapitel, die den Effekt haben, immer weiter zu lesen. Zudem der Wechsel zwischen Ich-Perspektive und dritter Person. LTN Boxer wird wegen eines tödlichen Schuwechsels vor ein Gericht zitiert. Während ihrer Suspension verfolgt sie einen alten kalten Fall, der sie seit zehn Jahren nicht mehr löst. Während der Handlungsfäden mit der Gerichtsverhandlung einmal mehr das Gerichtssystem in den USA in sehr fragwürdigem Licht erscheinen. Letztendlich, bei dem es mehr auf Show ankommt als auf Fakten, ist die Mordgeschichte doch arg konstruiert und das Ende kommt zu abrupt. Keine langsame Entwicklung der Lösung. Es kommt einem ein bisschen so vor, als ob es ein Seitenlimit gegeben hätte. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Patterson did a thrilling page turner again! Von Cheshire Cat While Lieutenant Lindsey Boxer is trying to solve a new case, she gets into trouble herself and is finally even charged for police brutality. Waiting for the outcome of her trial, she spends her time at her sister's house in Moonlight Bay, not knowing that she will have to face a very clever serial killer soon... With his series about the Women's Murder Club, Patterson has created a set of suspenseful crime thrillers. The protagonist Lindsey is a great cop, but not as infallible as some protagonists tend to be. This and the mention of her friends from the "murder club" make a fresh and never boring thriller. In 4th of July, Patterson has again succeeded in surprising his readers again and again. I don't want to mention too much: in this thriller not everything is what it seems to be! If you like the other Murder Club thrillers, you will love this one as well!

Kurzbeschreibung In a late-night showdown, Detective Lindsay Boxer has to make an instantaneous decision: in self-defence she fires her weapon - and sets off a chain of events that leaves a police force disgraced, a city divided and a family destroyed. Now everything she's worked for her entire life hinges on the decision of twelve jurors. To escape the media circus, Lindsay retreats to the picturesque town of Half Moon Bay. Soon after, a string of grisly murders punches through the community. There are no witnesses; there is no pattern. But a key detail reminds Lindsay of an unsolved murder she worked on years ago. As summer comes into full swing, Lindsay and her friends in the Women's Murder Club battle for her life on two fronts: in court and against a ruthless killer. From Publishers Weekly Mega-bestseller Patterson teams up with journalist/novelist Paetro for a rousing fourth installment of the Women's Murder Club series. This time, bright, tough SFPD Lt. Lindsay Boxer is battling police brutality charges while chasing down a clan of murderers. When a botched police arrest of two gun-toting minors expands from a shaky preliminary hearing to what promises to be a nerve-rattling jury trial of Lindsay, she flees the pre-trial media frenzy for the serene haven of sister Cat's house in Half Moon Bay. But instead of finding relaxation and romance with her Homeland Security beau, Lindsay becomes embroiled in the ruthless crimes of a troika of killers who've been slashing and flogging victims all over town. With surprisingly little aid from the Murder Club, Lindsay performs her detective handiwork (and steps on the toes of Half Moon's police chief). As more bodies surface, sketchy suspects like a smitten grease monkey and a slimy porn star emerge, then the murderous threesome set their sights on Lindsay. Back in San Francisco, Lindsay is acquitted; she then rushes back to Half Moon Bay to apprehend the elusive villains and put to rest her unresolved first homicide case as well. Heroic super-sleuthing, a steadily gripping plot line and 146 snappy chapters add up to suspense fiction euphoria for Patterson's legion of fans. (One-day laydown May 2) Copyright Reed Business Information, a division of Reed Elsevier Inc. All rights reserved. From Booklist After the explosive events of the third entry in the Women's Murder Club series, 3rd Degree (2004), which claimed the life of one of the members, it's understandable that the follow-up might be a bit of a letdown. But only a little. Patterson's characteristic brutal murders and elusive killers are present, keeping the stakes high. Lindsay Boxer, the police lieutenant who brought the club together, is taking some serious heat in this installment. After a car chase goes wrong, Lindsay is forced to shoot two killers after they wound her and her partner. The firefight leaves a 15-year-old girl dead and her 13-year-old brother paralyzed, making way for a police brutality lawsuit. Lindsay hides out in her sister's suburban house, where she hopes to escape the media circus surrounding her trial. But someone has been killing married couples in the upscale community, and the method greatly resembles a case from early in Lindsay's career, one that she was never

able to close the book on. Even though the Women's Murder Club itself is consigned to the background, Lindsay's trial and the murders keep the pages turning. Kristine Huntley Copyright American Library Association. All rights reserved
