Lesestoff Von Missforschung Eine gute Geschichte, allerdings habe ich von Jude Knight schon Besseres gelesen. Der Plot schraubt sich nicht zu einem Höhepunkt hin, sondern hat mehrere Geschichten oder Stufen. Von daher nicht ganz so spannend und fesselnd, wie ich es sonst gewohnt bin

Kurzbeschreibung Becky is the envy of the courtesans of the demi-monde - the indulged mistress of the wealthy and charismatic Marquis of Aldridge. But she dreams of a normal life; one in which her daughter can have a future that does not depend on beauty, sex, and the whims of a man. Finding herself with child, she hesitates to tell Aldridge. Will he cast her off, send her away, or keep her and condemn another child to this uncertain shadow world? The devil-may-care face Hugh shows to the world hides a desperate sorrow; a sorrow he tries to drown with drink and riotous living. His years at war haunt him, but even more, he doesn't want to think about the illness that robbed him of the ability to father a son. When he dies, his barony will die with him. His title will fall into abeyance, and his estate will be scooped up by the Crown. When Aldridge surprises them both with a daring proposition, they do not expect love to be part of the bargain.
