Von T.K. Leigh : A Beautiful Mess (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Beautiful Mess (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 3 von 4 Kunden fanden die folgende Rezension hilfreich. Plot gut, Hauptpersonen unglaubwürdig Von reader Die Grundidee des Romans war gut, aber die Charaktere der Hauptpersonen unglaubwürdig. Die Widersprüchlichkeit von Alexander nervt von Anfang an: Er ist ein Ex-Navy-Seal, auf Grund seines Trainings sollte er immer aufmerksam sein und alle verfügbaren Informationen sammeln. Außerdem ist er der Inhaber

einer Sicherheits- und Personenschutzfirma und laut Buch Billionär. Das Geld kann er aber nur angehauft haben, wenn seine Firma erfolgreich ist. Das ist zu bezweifeln, wenn er und seine Mitarbeiter beim Installieren von Bewegungsmeldern die Hintertür in Olivias Haus bersehen. Beim heutigen Stand der Technik ist diese Schutzmaßnahme auch einfach lächerlich wenig, also unglaubwürdig. Warum liest er den Brief seines Vaters nicht? Da er die Firma von ihm übernommen hat, sollte er schon alles wissen wollen. Die Autorin gibt keinen vernünftigen Grund für diese Zurückhaltung an. Seine Erklärung, warum er auf Olivias SMS nicht reagierte ist: I just needed to focus on the weekend. On my friend. And I felt guilty, I guess, if I didn't devote the weekend to her memory. Wenn er das Wochenende ihrer Erinnerung widmen wollte, warum ging er dann mit Adele zum Essen und betrank sich in einer Bar mit seinem Bruder? Unglaublich ist auch, dass sich zwei sechs und neun jährige Casablanca wiederholt anschauen. Wenn man keinen Wert auf Logik und etwas Glaubwürdigkeit auch bei einem Roman legt, kann man das Buch als leichte Kost für zwischendurch nehmen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. what a mess Von musicdreamer I loved the book. both in story line and writing style. it has a compelling and well written and thought through storyline, that leaves you with a good nice cliffhanger at the end witch makes you curse, because you want to continue with the second instalment right away.... Till you find out that it hasn't been published yet. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Must read!!! Von Janina Keler As soon as I started the book I wasn't able to put it down. Olivia and Alexander make you fall in love with them immediately. There is no way not to. All the time I was hoping that they get over what ever stones lie in their path and get together at the end. The end of A beautiful Mess is a cliffhanger so make sure to buy A Tragic Wreck as well.

Kurzbeschreibung RECOMMENDED FOR READERS 18 AND UP DUE TO STRONG LANGUAGE, SEXUAL SITUATIONS, AND MILD VIOLENCE. What happens when you lose everyone that promised they would always be there for you? How can you protect the few pieces of your shattered heart that remain? Olivia Adler is a woman with a troubled past. After losing her parents at the young age of six and being raised by an uncle who she lost years later, she refuses to get attached to anyone, including friends. For the past decade, she has been able to remain unattached to any man, too worried about losing someone to get too close. Until Alexander Burnham walks into her life one night and changes everything. But he has issues of his own. And he's keeping a secret that could turn her world upside-down. Will Olivia let Alexander in enough for him to get close and protect her from a force threatening her very existence, or will she push him away, scared of letting Alexander in, in order to protect her heart? A Beautiful Mess is the first installment of a three part series sure to captivate the heart with a story of secrets, courage, and love.

ber den Autor und weitere Mitwirkende T.K. Leigh, otherwise known as Tracy Leigh Kellam, is a producer / attorney by trade. Originally from New England, she now resides in sunny Southern California with her husband, dog and three cats, all of which she has rescued (including the husband). She always had a knack for writing, but mostly in the legal field. It wasn't until recently that she decided to try her hand at creative writing and is now addicted to creating different characters and new and unique story lines in the Contemporary Romantic Suspense genre. When she's not planted in front of her computer, writing away, she can be found running and training for her next marathon (of which she has run over fifteen fulls and far too many halves to recall). Unlike Olivia, the main character in her Beautiful Mess series, she has yet to qualify for the Boston Marathon. Follow her online at: www.facebook.com/tkleighauthor www.tkleighauthor.com
