**Von Karen Hawkins : A Belated Bride** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Belated Bride:

WonderfulVon AK78Lucien Deveraux, Duke of Wexford, a known character from The Abduction of Julia has here his own story. He broke years ago the innocent heart of Arabella Hadley and as they meet again she still hasn't

forgiven him. But the passion still exists. And with the help of two marriage-minded aunts there is no escape of a soon wedding. But Arabella has some secrets of her own and so there is much suspense and danger in this wonderful romantic novel. After *The Abduction of Julia* Karen Hawkins creates again a novel with wonderful stubborn characters and so I couldn't stop reading til the end. 0 von 0 Kunden fanden die folgende Rezension hilfreich. it drags..... Von Miss HI it is after this book that I realized: I am not much for "second chance romances". Lucien and Arabella had a thing years ago. They slept together and Lucien left abruptly, had a reason of course but did not tell Arabella. Being ruined and suffering from humiliation, Arabella pulled through and now is supporting her handicapped brother and widowed aunts by secretly engaging in "free trades". I should have known I would not like this book. A heroin who is a smuggler, not my thing. A heroin nursing some bitter grudges, not my thing. A hero who does not struggle because of his love for the heroin, not my thing. On top of that, I cannot following the writing. I dont think Ms. Hawkins writes poorly. I think the writing is done well but I somehow cannot find the patience in me to follow the characters through the story. Maybe it is the plots or maybe it is the writing. I don't know. It is my first book from the author. I would read another one from her just to see whether I enjoy her writier better with a different plot line.

Kurzbeschreibung *She'd Never Marry Him!* The last man Arabella Hadley ever wishes to see again is Lucien Deveraux, the handsome, dissolute Duke of Wexford -- who broke her innocent heart years ago and disappeared to London. So when she finds an unconscious man on her deserted country road and sees that it's Lucien, she's tempted to leave him there. But even more appalling than his presence is the brazen kiss he plants on her shocked lips and her response! So it would be totally insane to take him home to recover -- wouldn't it? *Except For One Small Thing...* Lucien dares not reveal why he's returned to his country estate -- or why he abandoned the strong-willed beauty years ago. Especially since Arabella clearly has secrets of her own. But when her scheming, marriage-minded aunts successfully compromise them, the two are forced to become man and wife. Which makes it ever harder for both to battle the passion that never disappeared... *Pressestimmen* "A delightful new talent!" -- Mary Balogh "Karen Hawkins knows how to keep a reader entranced from first page to last." -- Joan Johnston *Kurzbeschreibung* *She'd Never Marry Him!* The last man Arabella Hadley ever wishes to see again is Lucien Deveraux, the handsome, dissolute Duke of Wexford -- who broke her innocent heart years ago and disappeared to London.
