audem Ziel eines Verrückten, der darauf aus zu sein scheint, ihn zu ruinieren. Er engagiert Jackie Morrissey, die schlimmeres verhindern und den Schuldigen aufspüren soll. Vincent ist fasziniert von Jackie und ihrer kompetenten Art. Fast scheint es, als könnte sie die eine Frau für ihn sein, doch Jackie hat schlechte Erfahrungen mit Vampiren gemacht und geschworen, nie wieder einem zu vertrauen. "A Bite To Remember" gehört zu Lynsay Sands Argeneau-Serie, Vampirromane, die irgendwo zwischen Sherrilyn Kenyon und Charlaine Harris angesiedelt sind. Nicht so duster wie Kenyons Dark-Hunter-Serie, aber auch nicht ganz so leicht wie Harris Southern-Vampires-Serie. Krimi und Liebesgeschichte nehmen etwa gleichviel Raum ein, wobei noch Platz für viel Humor und interessante Nebencharaktere bleibt. Zwar ist die Auflösung, warum Vincent Ziel des Psychopathen wird, nicht wirklich überzeugend, dies strahlt jedoch den allgemeinen Lesegenuss nur unwesentlich. - rgerlicher war, dass das Buch trotz sorgfältiger Behandlung nach etwa zwei Dritteln der Lektüre begann, auseinanderzufallen. Auch Taschenbücher sollten doch zumindest auf einmal lesen ausgelegt sein ...0 von 0 Kunden fanden die folgende Rezension hilfreich. pleasant but...Von Magritte" A bite to remember" is the 5th book of Lynsay Sands Argeneau novels. For all who have read the previous books and who expected it: Here is Vincent's story! Vincent is the sympathetic, warmhearted, smart cousin of Bastian, Etienne, Lissianna and Lucern, who had helped most of them to recognise their true mates. Vincent is an actor, a free spirit of some sort, 400 years old, handsome and loaded. However the plays of his production company are being sabotaged. Bastian sends him two PIs (private investigators) one of whom is "moratl and a girl": Jackie Moorisey. They do know about vampires, work with them, but Jackie does not trust them! The story melts nicely: investigation, everyday vampire life and a love story. My main regret is that from the previous books I was very curious about Vincent, eager to spend some more time with him and I did not recognize the light-headed, lovely, fun man from the previous books. I felt as if he was somehow absent. But Lynsay Sands has created a very nice Jackie... Enjoy the read! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Endlich darf Vincent ran Von Jessica Hartmann Ich fand Vincent schon bei seinen vorherigen Auftritten total sympathisch. Daher konnte ich es kaum erwarten, endlich seine Story zu erfahren. Das Buch war wiederum total klasse. Die Story war spannend, der Krimi-Plot diesmal etwas gruseliger als in den anderen Büchern. Ausserdem gibt es ja noch das winzige Problem, dass Vincent nur frisches Blut trinken kann. Was zu einigen kuriosen Futterbeschaffungsmaßnahmen führt. Die Charaktere sind wie immer sympathisch. Jackie und Vincent sind super zusammen. Auch Tiny finde ich total witzig.

Kurzbeschreibung Rule #1: Never get involved with someone who won't be there for you when the sun comes up. Once bitten, twice shy, and sexy PI Jackie Morrissey wasn't going there again. Vincent Argeneau may be the hottest guy she's ever met, living or dead, but she's here to stop a killer from turning this vampire into dust, not to jump into bed with him. Rule #2: Never kiss a vampire . . . it can be a pain in the neck. Okay, so Vincent's had four hundred years to perfect his kissing skills, and he does look rather tempting when he runs around the house shirtless. He's also charming, protective . . . did we mention he can kiss? Jackie needs to be on her guard, or else she'll have to come up with a new rule: If you're going to fall in love with a vampire, make sure it's a bite to remember. From Booklist Vincent Argeneau, cousin of the Canadian Argeneaus from *Single White Vampire* (2003) and *Love Bites* (2004), has had to shut down all his stage productions because a saboteur's actions are escalating, and he fears that someone will be killed. Cast members have been injured and others are quitting, and everyone acting in a New York production has come down with anemia. Bastien Argeneau sends PI Jackie Morrissey and her assistant, Tiny McGraw, to help. Jackie, who previously had a bad relationship with a vampire, has no personal interest in Vincent but realizes that he is in danger. Vincent discovers that Jackie is his lifemate but knows that she has an antipathy toward immortals. When Jackie is captured by the saboteur, she bites her vampire assailant's wrist and accidentally swallows blood, thus beginning the transformation to immortal. This enjoyable combination of mystery, paranormal fantasy, and romance will appeal to readers who relish cozy vampire stories featuring characters with a true nobility of spirit.
