Von K.C. Wells : A Bond of Three (Sensual Bonds Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Bond of Three (Sensual Bonds Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Not bad...Von Querleser... but not that good, either.Two princes and an outsider, a political marriage to save a kingdom, a big love that no one wants to give up, a jealous enemy amidst their own soldiers, magic and a seer.If you are in love with a servant and your father, the king, orders you to marry the prince of the adjacent kingdom you have to oblige. But no one can force you to love this prince, can they? But who says that a couple can only be two? Why can real love

not unite three men? A nice story about real love, about princes and a servant fighting for their happy future, challenges to do the right against a whole kingdom with radical changes of the status quo, and a HEA of course with a little bit too much sappy sweetness in the end. The story is not new, but a good enough fairy tale for a boring afternoon. 0 von 0 Kunden fanden die folgende Rezension hilfreich. I bought the book because of the cover... Von doromebut I honestly enjoyed the story a lot. It's a sensual, historical fantasy. The three main characters are very likeable and I could connect to all their flaws and struggles.

Kurzbeschreibung In the kingdom of Teruna, the red-cloaked Seruani teach the Terunans the art of love. Taken from their homes at seventeen to be trained, they are shunned as outcasts by society and considered the lowest of the low. So when Prince Tanish falls in love with the Seruan Feyar, the man who took his virginity and the only one to share his bed, he is not about to declare that love. No one can ever know, because the consequences would be too painful to consider for both of them. When the king of Vancor visits Teruna, he promises that his son, Prince Sorran, will marry Prince Tanish to solidify the alliance between the two kingdoms, with the proviso that the virginal Sorran is instructed in the art of pleasing his husband-to-be. When Tanish's father chooses Feyar to be this instructor, the lovers decide Prince Sorran must be taught that this is to be a marriage in name only. A resentful prince, unwilling to share his lover. A resentful Seruan, unwilling to share his prince. And the shy prince whose very nature sparks changes in the lives of all those around them. Teruna is about to change forever.
