**Von Erica James : A Breath of Fresh Air (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Breath of Fresh Air (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Who's doing the breathing?Von Gertraut SeibIntrigued by the locations in this book, having spent time around Manchester in my youth, I bought the novel and read it twice. And still do not come to grips entirely with the main characters Charlotte, her sister and Charlottes tenant Alex. Charlottes marriage fails and on the day she tells her husband she

wants a divorce he dies in an accident. She blames herself and goes back to Hulme Welford where she grew up and I wonder if this is a wise choice... Moreover, she asks her sister to find her a house and half of this house is inhabited by a tenant - this does not make much sense to me. But as it turns out, she is attracted to him and getting a lot of spite from the neighbours around her she has difficulties to make up her mind what to do about him. The village comes to accept Charlotte again. And it is to be found out if both will live in Charlotte's or Alex's part of the house from now on. So maybe I did the breathing when all ends well..

Kurzbeschreibung After tragedy, how do you find love again? The brilliant first novel from the Sunday Times bestselling author. Charlotte Lawrence, widowed at thirty-four, decides to return to all things pre-Peter, and that means moving back to the Cheshire village of her childhood. It also means exchanging a clinical company flat for the pretty but overgrown garden of Ivy Cottage, and the constant attentions of her interfering sister Hilary. Most of all it means Alex, Ivy Cottage's drop-dead-gorgeous tenant, with whom Hilary is determined Charlotte should find love anew, and whose charming exterior hides his own secret tragedy...
