Wiccan Haus's #1 Fan, I just can't seem to read enough of these magical stories. Humans going to Wiccan Haus Island is always interesting. Gwen Fairfax managed a hotel, and lived with her mother in an apartment, they were very close even closer because it was just the two of them. But then Gwen's mother got sick, within months she was gone. Gwen numb with grief and loneliness to the point it was almost unbearable. Waking up with an unbearable headache, Gwen tried to figure out where she was only to black out again. Tucker Wilde was a naturalist with an undergraduate degree in environmental science and botany, he loved his plants of every size and shape. At a family Christmas Party he saw her, the only woman for him, the perfect woman. I was gifted this ARC for an honest and truthful review.

Kurzbeschreibung If she remembers the past, they won't have a future. Gwen Fairfax awakens in a hospital, deluged by stabbing head pain and unable to remember anything about her past, especially the man who claims to be her fiancé. A trip to the Wiccan Haus is her only hope to discover the woman she used to be, understand her mysterious dreams about a resort, and fall in love with the man she's supposed to marry. To stop his stepmother's land development schemes from ruining the natural habitat he's dedicated his life to preserving, Tucker Wilde is willing to do anything, even pretend to be engaged to the woman his brother left at the altar. But he isn't prepared for the sweet, vulnerable woman to tempt him at every turn until he longs to give in to the temptation. The more Gwen gets to know Tucker, the more she's certain he's a man worth remembering. But if the Wiccan Haus heals her memory, he'll have to fight to keep his bride.
