**Von Denise Hall : A Brief Education (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Brief Education (English Edition):

I do love a story with a happy 'end' Von Ein Kunde At the risk of being repetitive, I have to say this indeed is my favorite as well. Our heroine Toby advertises for discipline, and gets it ... not just from the responder to her ad, but from the chauffeur, the cook, the gardener, the valet, and ... unforgettably ... from the butler. The initiation of Toby at the train station is

quite memorable! The punishments are not wimpy but neither are they degrading. The result is a wonderful erotic mix that had me reading and re-reading chapters. In fact, there was nothing in the book which I skipped over. A definite must-read for the advocate of good old-fashioned M/f discipline.0 von 0 Kunden fanden die folgende Rezension hilfreich. Superbly written with a titilating plot.Von Ein KundeThis is by far, my most favorite book written in the genre of erotica, specifically in BDSM. Denise Hall delivers and intimate portrayal of the rituals and emotions associated with BDSM. The reader is taken into the mind of the disciplined, learning what drives her to yearn for punishment and harsh "love".0 von 0 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungThe ad read: Disobedient young lady requires strict disciplinarian. Must be consistent, harsh when necessary, and know how to pamper after discipline is done...The second after Toby placed that ad she wanted to snatch back the paper and throw it away. She had never engaged in any masochistic activity before, but her curiosity was getting the best of her. After observing her neighbors licentious activities through her window, all she could think about was bringing her own fantasies to life. But where could she find a suitable partner to help her achieve that goal? The subway? The Omnibus? The park? Placing the ad in the paper was the hardest thing Toby had ever done, but the promise of delicious submission kept tempting her with every reply.KurzbeschreibungThe ad read: Disobedient young lady requires strict disciplinarian.
