Von Cherie Claire : A Cajun Dream (The Cajun Series Book 5) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Cajun Dream (The Cajun Series Book 5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Love bridges the gulf between two cultures.Von Joyously Retired TeacherAmanda's over-protective father frightens away every potential suitor, and Amanda fears spinsterhood. Ashamed that she is 21 years old and never been kissed, she

makes arrangements in secret to go to a ball with someone she has heard is a good kisser. This scoundrel, on the other hand, plans to abduct her and force her to marry him, believing her wealthy father will pay him to avoid scandal. Fortunately, she is rescued by a handsome young man who is secretly in love with her but knows that he is beneath her because of his Acadian (French Canadian) heritage. Of course, his "rescue" must also result in compromise, so Amanda and Ren are married. Neither knows the true feelings of the other, so they must experience the usual agony of doubt before they are able to confess their love. But this story is much more than a charming romance, and, as posted by a previous reader, a portrayal of Louisiana history (which is very interesting, by the way). It is also a story of how Americans fought to overcome prejudices between people of different races and cultures in order to work together to make their country successful. America's diversity makes it unique among all other countries in the world, and, rather than take it for granted, we must strive to ensure that America remains a haven for people of all nations and cultures. I heartily recommend this book and will certainly look for more from this author.

The culture clash between the the Acadians and the pre-Civil War Southern society made a nice twist for the rich girl/guy from the wrong side of the street plot device. The hero is ambitious but with a good heart. The heroine begins as naive but is always treated as an intelligent and caring person. This isn't a story where the hero and heroine are constantly at each others throats (though they are often at cross purposes.) It is clear early on that they care deeply for each other and--surprisingly for some romances--they also manage to treat one another as though they care. Though they have their share of problems (not the least of which is family and culture) their hearts are always in the right place and with each other. When the book was over, I still had a smile on my face. The characters and their circumstances are nicely developed and fleshed out. Very enjoyable.

Von Ein Kunde A Cajun Dream is a rich and complex love story about a man and a woman who appear doomed to remain divided by their cultural differences. Each a product of their individual environments, Amanda and Rene must struggle to overcome their own prejudices, as well as the interference of others - some well-meaning, and some not. Cherie Claire has skillfully written a wonderfully suspenseful plot with great twists. Her writing is so incredibly vivid, I felt as though I actually lived through this story, and this period in time, with Amanda, Rene and their families. I shared their anguish and their joy. Rich in detail, Claire's delightful characters spring to life and capture your heart. This is a book destined to be cherished and re-read.

Kurzbeschreibung Spurned by the Americans living in the South Louisiana town of Franklin because of her Catholic upbringing and forbidden to associate with the French Creoles and Cajuns by her father, Amanda Rose Richardson believes she is destined to become an old maid. When she finds herself in a compromised situation, it is her good friend Ren Comeaux, a proud Cajun who rescues her. But can Ren convince her father his intentions are honorable and win the heart of the "Jolie Blonde" he adores? A Cajun Dream is an award-winning delightful romance between a very proper American heiress and the proud Cajun who is determined to win her love. "A Cajun Dream will bring a smile to readers' faces. Ms. Claire has captured the sweetness of falling in love the first time with the gentleness of Dorothy Garlock and the tenderness of Pamela Morsi." Maria C. Ferrer for Romantic Times magazine "What a marvelous debut! Cherie Claire is sure to earn a bevy of fans with this charming and heartwarming tale." REXANNE BECNEL, author of *Blink of an Eye* BOOK DETAILS Historical American romance, set in Louisiana in 1848 Book Five of Cheries The Cajuns series A full-length novel of 90,000 words (about 365 printed book pages) R-rated content: Steamy love scenes!
