Spannend und unheimlichVon mockingbirdIn der Rahmengeschichte wird der Psychologe Mr. Mason, der fr seine zweifelhaften Verhaltensmodifikationen bekannt ist, auf die Insel Thrall eingeladen. Dort lernt er die hingebungsvolle Sexsklavin Leeta kennen und schtzen, die von ihrem Master als Pet gehalten wird. Master bittet Mr. Mason sich des sehr schwierigen, bisher noch untrainierten Ponymdchens anzunehmen. Leeta resmiert derweil, wie sie selbst auf die Insel Thrall, wo brigens alle Frauen als Sexsklavinnen gehalten werden, gelangt ist. Leetas Erinnerung ist eine sehr traurige, die sie in Vergleich zu ihrem jetzigen sorglosen Dasein setzt. Ausgezeichnete BDSM-Kurzgeschichte mit einer ausgeklgelten, anspruchsvollen Handlung. Das Unheimliche an der Geschichte ist, dass Leeta den Tod ihres Freundes, den sie hat sterben sehen, nicht verkraftet hat, diesen in der Phantasie aber weiter am Leben erhlt und auf ihren Master bertrgt. Fr BDSM-Interessierte sehr lesenswert. 1 von 2 Kunden fanden die folgende Rezension hilfreich.
BDSM???? Von Danielle A. For me BDSM is always safe, sane and consensual. There is none of the three in this book. If you're into slavery (the real slavery), rape and drugs you'll like this book. Then it is good to read, erotic a.s.o.

Kurzbeschreibung On the Isle of Thrall, men dominate and women submit. There is no in between. Mr. Mason is a psychologist with questionable methods and often unethical practices. When an interested employer invites him to Thrall, he never expects the world that awaits him. All women are slaves. Naked and collared, they exist solely to please the men who own them. And as he soon finds out, the pleasure they offer is unequal to any he's ever found before. One young woman catches his attention. The pet of his host, Leeta shows him just how much fun a properly trained slave can be. Little does he know the dark past that brought her to Thrall or the single promise that will keep her bound in submission forever. A CALLING TO THRALL is a 7,500 word erotica featuring BDSM themes including bondage, domination, submission, kidnapping, slave auctions, pet play, pony play, and dark sexual encounters. This is a work of fiction meant for an adult audience. All characters are over 18. The author does not condone or endorse any of the behaviors carried out by its characters. For anyone interested in learning more about Thrall's secrets, the follow-up novel to this work, HIS BLACK PEARL, is a 50,000 word BDSM erotic novel which follows the capture and training of Adair Bartlett, another woman who learns just how strong the calling to Thrall truly can be. In the 21,000 word erotic novella, MILKED INTO THRALL, Heather Childe soon begins her own descent into submission as she learns just how blissful the life of a human cow can truly be. Both of their stories can be found in the Kindle Store for download along with the six-part series, MILKED BY ROYALTY. Kurzbeschreibung On the Isle of Thrall, men dominate and women submit.
