Von Agatha Christie : A Caribbean Mystery (Miss Marple) (Miss Marple Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Caribbean Mystery (Miss Marple) (Miss Marple Series):

KundenrezensionenHilfreichste Kundenrezensionen7 von 7 Kunden fanden die folgende Rezension hilfreich. Murder and Mayhem in the CaribbeanVon Ein KundeThis story is set in the Caribbean - quite an unusual setting for Miss Marple who usually prefers to stay close to home. A garrulous major talks about various crimes he has observed over

the years and says he may have recognized a killer...the next day he is found dead and Miss Marple finds herself called upon to solve the crime. Notable for its beautiful locales as well as the interesting dialogue among the various characters, the most interesting of which is the interplay between Miss Marple and Jason Rafiel, an old, ill millionaire who despite this failing powers, still comes to her assistance at a crucial moment. This also sets the stage for the sequel to this book, "Nemesis" where Mr. Rafiel asks for Miss Marple's help in solving another, much older crime. You should definitely read that as a followup to this one.0 von 0 Kunden fanden die folgende Rezension hilfreich. Don't make this your first foray into Agatha ChristieVon Ein KundeI first read this book about ten years ago and thought it was mediocre. I didn't pick up another Agatha Christie book (based on that experience of boredom) until very recently, and only because I really like the Poirot mystery series on TV. The Poirot character is far more interesting and entertaining than Miss Marple in this slow-paced mystery. I'd only read this if I were desperate (which I was when I read it again after all these years.1 von 2 Kunden fanden die folgende Rezension hilfreich. Great Book!Von Ein KundeMs. Marple, the main character in this novel is investigating the murder of one of her friends, Major Palgrave. It was said, that the reason he died was of old age and heart conditions. Ms. Marple has other suspicions. Should she go with her instincts? To find out if she was right or if he died because of heart conditions, you should read this book, I highly recommend it!

KurzbeschreibungAn exotic holiday for Miss Marple is ruined when a retired major is killedAs Jane Marple sat basking in the Caribbean sunshine she felt mildly discontented with life. True, the warmth eased her rheumatism, but here in paradise nothing ever happened.Eventually, her interest was aroused by an old soldiers yarn about a strange coincidence. Infuriatingly, just as he was about to show her an astonishing photograph, the Majors attention wandered. He never did finished the storyPressestimmen`Throws off the false clues and misleading events as only a master of the art can do.' New York Times'Liveliness... infectious zest... as good as anything Miss Christie has done.'
