Von Miki101.Micha What would Bernie Little do, being only some simple Private Investigator, without his best friend and associate in affairs, with the nice nickname Chet?"Who is that Chet?"Chet is a member of "the Nation within the Nation", how he likes to call it..."And will that Chet-guy deliver some further explanation on this Nation-in-nation-thing?" You may ask.Oh yes, he's able to do it, but You will have some difficulty to understand him.Why that??? That's very simple - because...Chet is a DOG.And it's him the true reporter of all the written-down adventures, 5 until today, having the Bernie Little Investigation Group as protagonists.Chet was a soo well trained K-9 dog, best leaper of his class, certificate yet prepared, a more than safe job with the gov'nment, but then there was that "cat incident". That was the end of his K-9 career before it had begun.But then he met Bernie, ex-special forces, divorced, one boy-child called Charlie, a Private Investigator with absolutly NO talent to take the very Best from his clients - their money.So Bernie needs urgently and almost always the help from his Best Friend, Chet.And Chet is always more that eager to lend him a helping paw...And this very first adventure together reveals for the first time the curious case where A Cat Was Involved...Our story takes place some time ago...Chet is a very intelligent dog rescued by the police from some very bad ownersand prepared for a career as a K-9.Only that on the way to the last challenge between him and the certification a car is stolen, with a cat named 'Beauty' in it. Bernie enters the scene and between him and Chet happens something like 'love at first sight'. Chet moves on, Bernie too, and the the impossible happens ...They resolve their first case together and bond forever.But, Friends of Bernie and Chet, that You must really read by Yourselves!Because I am only half the storyteller our Chet is.Remember that now, September 2012, has come out A Fistful of Collars (Chet and Bernie Mystery), the fifth adventure of our inventive investigators and I have already put my hands on it!

KurzbeschreibungSpencer Quinns first original e-short story reveals how everyones favorite detective duoChet the Dog and P.I. Bernie Littlecame to meet before their first big case in Dog On It.As fans know, Chet first met Bernie on that fateful day when he flunked out of K-9 police school. The details of that day though have always remained a little vague (like so much in Chets doggy brain). All we know is that Chet had been the best leaper in his K-9 class, but for some reason he failed his final leaping test...and that a cat was involved...and that there was some blood. But whose? The test, the cat, the bloodall pieces of a puzzle that, when solved, will bring down a dangerous gang of thievesand signal the start of a beautiful friendship.This fateful day has been alluded to in every book in the series, and now fans of Chet and Bernie will finally get to find out what actually happened. For these two beloved characters, it was something like love at first sightand, for Chet, at first smell, too.KurzbeschreibungSpencer Quinns first original e-short story reveals how everyones favorite detective duoChet the Dog and P.I.
