Von Susan Gale : A Change in Fashion (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Change in Fashion (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
Erfolgreich auf dem Catwalk!Von Cora"A Change in Fashion" entfhrt seine Leserinnen zwar zurck in die 1960er
Jahre, doch aus der Mode gekommen sind die Themen Liebe, Freundschaft und Mode natrlich nicht. Die gewissen
Parallelen zwischen der Hauptfigur Holly Barton und der Autorin lassen den Roman sprbar authentisch wirken. Auch
jngere Leserinnen werden dieses gerade erschienene Buch lieben, zeigt es uns doch, dass die heutige

Gleichberechtigung in Beruf und Partnerschaft nicht immer selbstverständlich war, sondern der Generation von Holly Barton und Susan Gale zu verdanken ist. "A Change in Fashion" ist dennoch ein leichterer Begleiter für die Reise vom trüben Yorkshire ins schillernde Paris! Auch für deutsche Leserinnen der idealen Partner für nasse Herbsttage auf dem Sofa. A Change in Fashion! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Uerst empfehlenswert! Von Kunde Ein Buch, das man schwer aus der Hand legen kann! In einem tollen, lebhaften Schreibstil erzählt die Autorin die Geschichte einer jungen Frau, die von den 'moors' in New Yorkshire nach Paris 'aufsteigt' - vom Land in die große Stadt. Die Landschaft wird so schön beschrieben, dass man selbst auch gerne mal dorthin möchte. Lebensrecht und spannend sind Liebesgeschichten der jungen Frau erzählt, aber auch die dunklen Seiten des Lebens kommen nicht zu kurz. Eigentlich ein Roman, den ich mir aufgrund der Thematik nicht gekauft hätte - ich bin sehr, sehr froh, dass ich durch Zufall darauf aufmerksam wurde und ihn so genießen durfte. Ich hoffe sehr auf weitere Bücher von Susan Gale! 0 von 0 Kunden fanden die folgende Rezension hilfreich. A Change in Fashion Von Audra C. Papevery entertaining reading! The characters were interesting and I enjoyed reading about the time period in Paris. Definitely worth reading!

Kurzbeschreibung In 1965, when Holly Barton leaves her home on the bleak North Yorkshire moors to work as an au pair in Paris, she little realizes that she is soon to become one of France's most promising fashion designers. Set in the sixties, A Change in Fashion evokes the magic of an exhilarating decade with revolutionary trends in fashion, music, art, social mores and sexual habits; it portrays a period of optimism, when anything seemed possible for those who were young. Yet Holly has to return to Yorkshire to confront her past before she can move forward to achieve lasting happiness and success. On a soul-searching journey that takes her from the wild beauty of the moors and dales to the glamour of Paris and the French Riviera, Holly gradually discovers herself and finds the man she loves. More than a historical romance in the world of haute couture, this is a story about self-knowledge and closure, gender equality and the value of true friendship. Born in Middlesbrough, Susan Gale spent her childhood on the Northumbrian coast. In 1962 her family returned to North Yorkshire to live in Guisborough at the foot of the moors. Susan read French at Leicester University and worked in France during the sixties, where she met her German husband. For over thirty years she taught English as a Second Language at a state college in Hamburg. During this period she wrote a series of ESL textbooks for adult students, which were published in Germany under her married name, Susan Lau. A Change in Fashion is her first novel. It reflects her love of the moors and coast of her native Yorkshire, her experiences living abroad and her interest in food, wine and fashion. Susan has two daughters and lives in the countryside near Hamburg with her husband Walter and Labrador Lily.
