Von Tielle St. Clare : A Change of Pace (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Change of Pace (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 3 von 3 Kunden fanden die folgende Rezension hilfreich. Nice feel good read Von Sunne If you want a nice and uncomplicated feel good read - this is one. There are no problems, no emotional rollercoasters, just two guys getting closer and closer. They are cute together - sometimes I wasn't so taken by Knox's language and why Adian responded to that dirty talk but, well, it wasn't that bad that it annoyed me. So this was a nice short read for inbetween real books - I like that the price fits the volume.

Kurzbeschreibung Aiden has a few simple goals in life: teach his students well, find a stable lover and stop lusting after the sexy local sheriff. He's pretty sure the guy is straight, after all, his son is one of Aiden's students. It's best for everyone if he keeps his eyes (and hands) to himself. But Knox has other plans. The prickly little tutor who teaches his son is pretty damn sexy and so easy to tease. When they find themselves alone for the evening, he decides he's only going to get one chance to see if Aiden is always that uptight or if he lets loose when he's in bed.
