Schnelle Lieferung toller Inhalt, jedoch leicht beschädigt Von Shila B. Das Buch hatte an den Seiten beim Öffnen schon leichte Knicke aufgewiesen und war somit leider schon bei der Ankunft beschädigt. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein Klassiker Von Evelyn Schwarm Die Geschichte geht einfach zu Weihnachten dazu und die Hintergrundinfo die am Anfang des Buches gegeben wird, hilft einem unerfahrenen Leser die Situation und auch den Autor besser zu verstehen. Die Geschichte selbst ist ergreifend und gefühlvoll dargestellt.

Kurzbeschreibung I have endeavoured in this Ghostly little book, to raise the Ghost of an Idea, which shall not put my readers out of humour with themselves, with each other, with the season, or with me. May it haunt their houses pleasantly, and no one wish to lay it to rest. Ebenezer Scrooge, Tiny Tim, Bob Cratchit--the characters from Dickens' A Christmas Carol are household names and the story of how selfish Scrooge is reformed is as much a part of Christmas as the turkey. This Eyewitness classic edition introduces children to the powerful words of the original in an abridgement based on the version Dickens used for his public readings. However, as you would expect, being a Dorling Kindersley book, there is much more to this edition than an expert re-telling of the story. With photographs, paintings and hundreds of facts about Dickens' London, the wealth and the poverty, Christmas customs and ideals then and now, this book puts the story into fascinating context. (Ages 8 to 12).com In the history of English literature, Charles Dickens's A Christmas Carol, which has been continuously in print since it was first published in the winter of 1843, stands out as the quintessential Christmas story. What makes this charming edition of Dickens's immortal tale so special is the collection of 80 vivid illustrations by Everett Shinn (1876-1953). Shinn, a well-known artist in his time, was a popular illustrator of newspapers and magazines whose work displayed a remarkable affinity for the stories of Charles Dickens, evoking the bustling street life of the mid-1800s. Printed on heavy, cream-colored paper stock, the edges of the pages have been left rough, simulating the way in which the story might have appeared in Dickens's own time. Though countless editions of this classic have been published over the years, this one stands out as particularly beautiful, nostalgic, and evocative of the spirit of Christmas.
