The language and actions are in keeping with the period. There are several sub-plots which are all equally interesting. If you like historical romances this is a good buy.0 von 1 Kunden fanden die folgende Rezension hilfreich. CharmingVon H.A.B.Charming story - beautiful language

prases.....for that 5 starsBut the story lacks certain depth - and as charming the idea of a ghost might be - its not me - therefore 3 stars0 von 1 Kunden fanden die folgende Rezension hilfreich. A entertaining love story!Von Filerimos= I enjoyed this book a lot. It was an easy funny read. Exactly the right book for the christmas season.

KurzbeschreibungCharming, romantic, and painted with gorgeous Regency detail, Karla Hockers romances will delight readers from the very first page.Elizabeth Gore-Langton was hardly in a position to refuse to accompany Lady Astley to the Christmas party at Stenton Castle. After all, a paid companion must follow her employer's wishes. It scarcely mattered that Elizabeth would be forced to face the man who had unknowingly broken her heart years ago during her first season. Most likely, the Duke ofStenton wouldn't even recognize her. But once she looked up into his dark, piercing eyes, she knew this was a man who forgot very little and forgave even less. Well, she was no longer a blushing schoolgirl, and the dashing duke would soon find that a broken heart, once mended, could be formidable, indeed!Clive Rowland, Fifth Duke of Stenton, was in no mood for a holiday gathering. But the Christmas gala would provide the perfect cover as he investigated reports that French agents were doing a brisk trade in stolen documents along the Sussex coast. It would be devilishly difficult to play the host while tracking down traitors, but Clive was up to the taskprovided he kept his wits about him and didn't get distracted by yule logs and Christmas folderol or the delightful charms of the disturbingly familiar Elizabeth. She was hiding something, to be sure, and Clive liked nothing better than unveiling a lady's secrets!KurzbeschreibungCharming, romantic, and painted with gorgeous Regency detail, Karla Hockers romances will delight readers from the very first page.Elizabeth Gore-Langton was hardly in a position to refuse to accompany Lady Astley to the Christmas party at Stenton Castle.
