Von Vikki McCombie : A Christmas Miracle for Veronica (Christmas Surprises Book 1) (English Edition)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Christmas Miracle for Veronica (Christmas Surprises Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Weihnachtswunder Von Renate H. Jefferson erfährt wenige Tage vor Weihnachten, dass er der Vater der 5-jährigen Sarah ist, und dass die Mutter im Sterben liegt. Da es keine sonstigen Verwandten gibt, muss er das Kind zu sich nehmen. Veronica, mit der er seit 6 Monaten befreundet ist, willigt ein, ihm mit Sarah zu helfen. Diese weihnachtliche Kurzgeschichte ist gut und flüssig geschrieben. Für mich etwas unglaubwürdig, was alles in nicht einmal 14 Tagen

passieren kann, aber es soll ja Weihnachtswunder geben :-). Was mich massiv gestört hat, ist der bermüde Hinweis auf den Glauben an Gott, und die Suche nach göttlichem Beistand. Für jeden, den das nicht stört, ist dieses Buch sicher ein empfehlenswertes Weihnachtsmärchen.

Kurzbeschreibung Two weeks before Christmas, Jefferson Ramsey receives a call that changes his life forever. His ex-fiance tells him she's dying and he has a five-year-old daughter. He must come to Florida right away, so the state can't take Sarah away. Shortly after Jefferson arrives, his ex-fiance dies, leaving a devastated and scared little girl. Can he raise Sarah and do it alone? Veronica Harrison is definitely not in the holiday mood until she gets a call from the man in her life. Jefferson has returned from his mysterious trip and wants to discuss something important with her. The last thing she expects is a marriage proposal and a child to go along with it. Would a sudden alliance be enough to create a family not only for Sarah, but for them as well? Dare she hope their friendship will blossom into a love that's worth the risk?
