Wanda Schweda I just loved this book. I regularly shed a few tears while reading it. I so felt with Carrie, I love children just as much as she does. Beautiful and really really sweet story - even if the end is a little foreseeable :) 0 von 0 Kunden fanden die folgende Rezension hilfreich. unendlich langweilig ! Von ireneich habe mich jetzt durch ein Viertel dieses Buches gekämpft und immer ist noch nichts geschehen. 100 mal dieselben langweiligen Gedanken, dieselben langatmigen Erinnerungen ... Kurzbeschreibung A beautiful story about the magic of childhood Christmas memories, the strength of family and falling in love when you least expect it. Fans of Carole Matthews, Susan Wiggs and Scarlett Bailey and anyone who loves the sound of Christmas songs and the sparkle of decorations on the tree will adore this festive holiday treat! Everyone loves Christmas don't they? Carrie Blake loves her job as a nanny but, while her friends are settling down, all of Carrie's spare time is spent with other people's families. Though it breaks her heart, her New Year's resolution is to embark on a new career and fix her love life. As Carrie starts her last job, she's sure she'll be going out on a high the house is amazing, the kids are adorable, and she's in charge of decorating the tree! The only problem could be her boss single-dad, Adam Fletcher might be both handsome and successful, but he's always working. Doesn't he realise he's missing out on precious moments with his son and daughter? As Adam's family arrive for Christmas including his sensitive sister, Sharon, and his fun-loving elderly Grandpa, Walter, Carrie realises that she might just have found the perfect allies in her quest to persuade Adam to loosen up. There's still time for Carrie to make this the best Christmas ever after all, Christmas is the time for miracles, isn't it? Let the festivities begin! Readers are falling in love with Jenny Hales novels I instantly fell in love with this book and its characters, especially Carrie... I loved the way that she injected fun and Christmas spirit into the children and eventually Adam. This is a book that made me feel warm and cosy inside and I know I will want to read it every Christmas, it has the perfect mix of elements for a Christmas So get on your big Christmas jumper, make yourself some hot cocoa, curl up by the fire and read it too! 5/5 That Thing She Reads Jenny's character development was perfect, and I grew to know and love Carrie, the children, Adam, and his entire family more as I turned the pages I cannot recommend this absolutely beautiful story enough. It is perfect for everyone, and I beg you to read it before Christmas rolls around. I feel like it's reinforced my Christmas beliefs once more. That the presents beneath the tree and the food on the table is definitely an advantage, but as long as you have your family around you, I really don't think that you need much more than that. Becca's Books A Christmas to Remember is a wonderful holiday story about love, life and learning to say yes to the things that matter most in your life. I absolutely adored this novel, it's the perfect holiday romance! Life with Joy Jenny Hale is such a fabulous writer with such an eye for characters you'll fall in love with I can't wait for Jenny's second book, this was just super amazing and it kept me reading all day with barely a pause. ChickLit sandNews.com I've read so many books yet I can't actually recall reading a book with so many loveable characters I'm usually pleased when I get to connect with one or two of them, but Jenny Hale did it! She made me care for all of her characters who were brilliantly portrayed.
