Von Tyler Dilts : A Cold and Broken Hallelujah (Long Beach Homicide) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Cold and Broken Hallelujah (Long Beach Homicide) (English Edition):

think Tyler Dilts knows his area where he sets the books..I do happen to think, that he might have felt more for his main character (the victim -- not Danny Beckett) so he felt more for his victim-character than I could read or get out of the book.. but that's ok. I think I could feel his sincerity in trying to get across what he wanted to get across, even if I failed to go along, the victim did leave me a bit less moved, let's put it like that. Only in so far that I would not associate "a cold and broken halleluja" with it, but that may be because to me that song probably signifies different worldsBut still. Good read, but you should read the whole series in the right order.

KurzbeschreibungOn a sweltering September night, Long Beach Homicide Detective Danny Beckett is called to a grisly crime scene at the mouth of the Los Angeles River. A defenseless homeless man has been burned to death by three teenagers with gang ties. The suspects are already in custody, and the evidence is overwhelmingbut when one suspects brother is targeted for murder, Danny starts to think there may be more to this seemingly clear-cut case. Obsessed with discovering the true identity of the victim, a gentle vagrant who may have been hiding a tortured past, Danny and his team start to uncover a high-reaching conspiracy that puts them all at riskand threatens to open new wounds that could cut even deeper than Dannys old ones.**Kurzbeschreibung**On a sweltering September night, Long Beach Homicide Detective Danny Beckett is called to a grisly crime scene at the mouth of the Los Angeles River. Though his career goals changed over time, he never lost interest in the daily work of homicide detectives. Today he teaches creative writing at California State University in Long Beach, and his writing has appeared in the Los Angeles Times, The Chronicle of Higher Education, The Best American Mystery Stories, and numerous other publications. He is the author of A King of Infinite Space and The Pain Scale, the first two novels in the Long Beach Homicide series. He lives with his wife in Long Beach, California.
