Von Dana Stabenow : A Cold Day for Murder (Kate Shugak Novels Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Cold Day for Murder (Kate

Shugak Novels Book 1) (English Edition):

Kurzbeschreibung Somewhere in the hinterlands of Alaska, among the millions of sprawling acres that comprise The Park, a young National Park Ranger has gone missing. When the detective sent after him also vanishes, the Anchorage DAs department must turn to their reluctant former investigator, Kate Shugak. Shugak knows The Park because shes of The Park, an Aleut who left her home village of Niniltna to pursue education, a career, and justice in an unjust world. Kates search for the missing men will take her from self-imposed exile back to a life shed left behind, and face-to-face with people and problems she'd hoped never to confront again. The first novel in the popular Kate Shugak Series, A Cold Day for Murder established Dana Stabenow as a new voice in Alaskan mystery writing, and earned her an Edgar Award.
