**Von Charles Cumming : A Colder War (Thomas Kell Spy Thriller, Book 2)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Colder War (Thomas Kell Spy Thriller, Book 2):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Good spy storyVon Josep BonetIt was a certain time since I last read a good spy book. Good old Le Carr will stop writing one day and somebody should be there to continue. Cumming can be this somebody. The story is really interesting, the plot is well constructed, there are more open questions than clear answers, what you expect from a good thriller.

Interesting to notice the loss of values, moral or political, if you compare with Master Le Carr.
