WHY?Von Oe1HoererWhy is this book, in the same translation, also available under the tile "The Redemption" - at a

third of the cost?! I feel cheated, having bought the more expensive version, and almost tricked, as I almost ordered the same book under the different title again...The book itself deserves 5 stars, but zero stars for the publisher and/or !Readers beware and be careful!4 von 4 Kunden fanden die folgende Rezension hilfreich. This book was already released as "Redemption"Von HausfrauI bought the same book twice! Ripoff! Redemption was a good book indeed, but you do not slap on a new title and try to sell it as a new book. Dishonest, greedy, and foolish, . Do you have anything to say?.1 von 2 Kunden fanden die folgende Rezension hilfreich. great bookVon Paulo FigueiredoJussi is one of the best...! this book is one of the best crimi's I read in the latest times.
