Von Sophie Turner, a Lady : A Constant Love: A Pride Prejudice Continuation (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Constant Love: A Pride Prejudice Continuation (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Exceedingly delightfulVon Alexandra dMI have always wondered what happened to Elisabeth and Darcy after they got married. This is just the book I had wanted to read. Jane Austen could have written it herself (but it is a pity she

never wrote much about happily married couples) a part from some passages or interest points, perhaps, but this is natural and even interesting. It is well researched, well written, the new characters are very real and the old ones very credible.

KurzbeschreibungBook One of the Constant Love SeriesAs Britain settles into a short-lived peace, the characters of Pride and Prejudice pick up very nearly where the novel left off, in a new series of stories focused on love and family:Elizabeth Bennet finds the joy of her marriage and honeymoon are followed by the demands of becoming Mrs. Darcy, all while helping her shy new younger sister come out into society. Georgiana Darcy must deal with more suitors than she expected, when she fears nothing more than once again being persuaded to think she is in love with the wrong man.This Pride and Prejudice sequel is the first in a planned seven-novel series:- A Constant Love- A Change of LegaciesKurzbeschreibungBook One of the Constant Love SeriesAs Britain settles into a short-lived peace, the characters of Pride and Prejudice pick up very nearly where the novel left off, in a new series of stories focused on love and family:Elizabeth Bennet finds the joy of her marriage and honeymoon are followed by the demands of becoming Mrs. Darcy, all while helping her shy new younger sister come out into society.
