**Von Carolyn Davidson : A Convenient Wife (Montana Mavericks: Historicals series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Convenient Wife (Montana Mavericks: Historicals series):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. sweet, heart-warming romanceVon LaylaReaderThis is a very sweet small town Montana love story. The story is fairly black white with the main characters having no flaws - people you would love to have as neighbours.Ellie is nave and does not even realise that she is pregnant when she visits the doctor, believing that she must be dying of some awful illness. The doctor, Win, is a dedicated young man who has left his high society background in St Louis to pursue his desire to help people as a doctor. He is drawn to Ellie and has no hesitation in offering her his help when her father throws her out.Ellie is initially overwhelmed by kindness and generosity, so foreign to her after her hard life with her father. Win

is enthralled by the beautiful person she is on the inside - as well as her physical beauty. What starts as a marriage of convenience quickly develops into a relationship based on mutual love. That would not be enough to sustain any drama, of course, so there are plenty of hurdles to overcome - from Ellie's abusive father, to the young man who ran away when she became pregnant and even Win's arrogant mother. There are also any number of wonderful characters in the town who contribute the story as it unfolds. There is suspense and drama, but overall this is not an edgy story with any tortured souls. If you are looking for a sweet, heart-warming romance then this is your book.

**Kurzbeschreibung** All she wanted was a kitchen to run and a garden to tend. But when Doc Gray offered his name to her and the baby she carried, Ellie Mitchum was overwhelmed. How could she, a girl of "a certain reputation," ever be the kind of wife he needed and deserved? Winston Gray knew that Ellie was the answer to his prayers. His life required a woman's touch; she needed a man to protect her. It was simple. But when her baby's real father returned, Win would learn that marriage, no matter how convenient, was never simple.

**Kurzbeschreibung** All she wanted was a kitchen to run and a garden to tend. But when Doc Gray offered his name to her and the baby she carried, Ellie Mitchum was overwhelmed.
