Von Jayne Ann Krentz : A Coral Kiss (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Coral Kiss (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. Better than usual....Von RMGIIt doesn't matter if the author is writing as JAK or Amanda Quick, most readers know what to expect. Her stories are fast reads with lots of attempts at humor and "clever" repartee. If you've read one, you've read them all, they are great for relaxing summer reading. Therefore, I was surprised to discover A Coral Kiss. I understand

this is a reissue of a 1987 book. Unlike so many of her more recent books that seem to strain to be interesting, this book is truly well written. Her dialogue is more "real" and though the premise is a little far-fetched, secret agent, sunken emeralds, etc., the writing almost makes it seem possible. I thought authors were supposed to get better over time. Perhaps Ms. Krentz used up all her good ideas awhile back. Regardless, this is one book by the author that shows a mature writing style that doesn't make the reader cringe at some stupid dialogue. I recently read Ghost of a Chance also an earlier book by JAK and again was pleasantly surprised. It reminded me of an early Anne Stuart book.0 von 1 Kunden fanden die folgende Rezension hilfreich. Interesting....Von KaeIt was a pleasantly fun read. It could have been better written. Amy should have given a good hissy fit over Jed's job. She should have done a lot of things that she didn't. Other than the predictable storyline the book was pretty good.1 von 1 Kunden fanden die folgende Rezension hilfreich. A Romance in Pacific IslandVon Ein KundeThis is a delightful book. The development of love between a man and a woman who had friendly platonic relationship is very well written. A man who has a mysterious job mission and frequently out of country for weeks at a time and a science fiction writer with a nightmarish past begin a slow friendship in a tiny coastal town in California.A trip to an island in Pacific Ocean unravels the hidden past and a new threat to their very survival. The story is intriguing and the suspense in the underwater cave is very real to readers.Jane Anne Krentz has done a wonderful job of writing a modern love story between the two people whose courage and love for each other overcame their pasts and enabled them to build a new life for themselves.

KurzbeschreibungAs far as Amy Slater was concerned, she and the mysterious Jed Glaze had the perfect relationship...they were good friends. Amy needed someone who wasn't demanding and Jed needed someone who wouldn't ask questions when he disappeared for weeks at a time. It worked, until... Amy and Jed jet off to an island paradise to uncover the source of Amy's crippling nightmares. Together they will reveal the island's secrets and their true feelings for each other.KurzbeschreibungAs far as Amy Slater was concerned, she and the mysterious Jed Glaze had the perfect relationship...they were good friends. Amy needed someone who wasn't demanding and Jed needed someone who wouldn't ask questions when he disappeared for weeks at a time. It worked, until... Amy and Jed jet off to an island paradise to uncover the source of Amy's crippling nightmares. Together they will reveal the island's secrets and their true feelings for each other.Synopsis After a scuba diving incident in the South Pacific leaves her with a dark mystery and a memory of fear, Amy Slater shuns the company of men, until Jed, a man with a secret of his own, enters her life.
