Liebenswert Von Senzasenso Eine Regency-Liebesgeschichte , aber mit Witz und Charme erzählt und in einem unblischen Setting - auf dem Land (wie der Titel schon andeutet) und ganz ohne Ingliche Beschreibungen prachtvoller Ballkleider oder unnutigerr Sexszenen. Dafr eine liebenswerte Heldin, ein zunchst ziemlich muffiger Held und eine Katastrophen heraufbeschwrende Freundin. Ein "Rake" kommt natrlich vor, drollige Verwicklungen auch, entfhrt wird

ebenfalls, und am Ende kriegen sich (aber nicht nur) Heldin+Held und man klappt lchelnd das Buch (bzw den Reader) zu

Kurzbeschreibung Lord Thurlby can only ever recall previous visits of Lavinia Muir, his mother's god-daughter, with a shudder. So it is with undisguised horror that he hears she is to come and stay again. Her arrival on the common stage accompanied by the flirtatious Isobel Macclesfield does nothing to allay his fears. When he learns that Lavinia has become entangled with the rakish Lord Riseholm, his reservations appear to be justified. With the passing of time perceptions begin to change and only with the arrival of Lord Riseholm himself can matters begin to be resolved once and for all. Pressestimmen "Not the usual Regency froth but a more complex narrative" - Historical Novels "A fuller novel than many other romances" - MyShelf.Com "A happy ending with a feel-good factor" - Cambs Times Kurzbeschreibung Lord Thurlby can only ever recall previous visits of Lavinia Muir, his mother's god-daughter, with a shudder.
