Von R.E. Butler : A Curve of Claw (The Wiccan-Were-Bear Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Curve of Claw (The Wiccan-Were-Bear Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Hexen lieben SexVon Renate H.Elizabeth ist eine geborene Hexe. Sie liebt ihr Leben, ihre Freiheit und ihr Vergngen (incl. 7

Männer auf Abruf). Als sie von ihrem Zirkel dazu verdonnert wird, eine Zeremonie mit den Werbren durchzuführen, glaubt sie noch, dass es nur um einen permanenten Bodyguard geht. Als sie erkennt, dass der Zauberspruch dazu dient, ihren Gefährten für die Ewigkeit zu finden, dreht sie durch. Aber sie hat ihrer Gromutter versprochen, die Zeremonie zu machen, und sie muss zu ihrem Wort stehen. Als alles vorbei ist, ist sie an Zwillingswerbren gebunden, die zum anbeißen sind. Die Kurzgeschichte ist flüssig geschrieben, teils witzig, immer erotisch. Die Welt, die R.E. Butler erfunden hat, gefällt mir sehr gut. Es gibt Were in jeder Form, Vampire, Hexen und normale Menschen. Alle leben friedlich zusammen, außer es geht um eine heiße Hexe wie Elizabeth;-)) Was ein Bitchen gestört hat, sind die Rechtschreibfehler, deshalb gibt es auch einen Punkteabzug. Wer gerne paranormale Geschichten mit Sex und happy end liest, sollte dieses Buch versuchen.

Kurzbeschreibung Natural born wiccan Elizabeth Xavier likes her life just the way it is. She has a beautiful lake house. Power to rival just about anyone. And seven men that cater to her every desire. What she didn't expect was to be asked to perform a binding ceremony in the local were-bear den and tie herself forever to a were-bear as a permanent guard. She didn't like anyone telling her what to do, and giving a man a supernatural tie to her life meant he'd probably want to boss her around, too. Or tell her she couldn't enjoy her casual relationships with the other men in her life. Guilt is a strong motivator, as is the reminder that she was abducted several months earlier, so she goes into the den with the intention of securing a guard and keeping him at arms' length. Too bad no one told her that were-bears don't like to be kept at arms' length. When Elizabeth realizes that more than just her personal protection is up for grabs from the bear she binds herself to, can she go through with it, even if it means losing everything she enjoyed about her life? Will she go back on her word and destroy the alliance between the two groups, or does happiness lay in the underground den in the arms of a were-bear? When more than just the alliance and her own personal protection is on the line, Elizabeth has to make a decision fast. The decision to take a guard has never been so important. This novella is for mature audiences only and contains a feisty play-girl witch with a sarcastic attitude, some red-hot were-bear loving of the menage variety, jealous lovers, claws and fangs galore, and some roadside nookie hot enough to melt the tires from the truck. This book contains M/F/M interaction.
