away, Thren and Delysia occupy bigger roles in this part which adds to the overall Appeal of this series. What I especially love about this author in general are his vivid descriptions of the fight Scenes. He describes the characters' every move and Twist and U don't Need much Imagination to recreate them in your head.

Kurzbeschreibung IN A CITY KNOWN FOR DARKNESS, THE UNDERWORLD TREMBLES AT THE RISE OF THE SUN... A night of fire and blood heralds Muzien the Darkhand's arrival to the beleaguered city of Veldaren. With him comes the might of the Sun Guild, eager to spread their criminal empire to the east. Left blind and vulnerable after being attacked by the Widow, Alyssa Gemcroft struggles to hold together the remnants of the Trifect as the Sun Guild's arrival threatens to shatter whatever future her son might have left. Veldaren's only hope is in the Watcher, but Haern is no longer there. With his father, Thren Felhorn, he is traveling to the Stronghold, an ancient bastion of the dark paladins of Karak. Will they find the answers they seek? Or will the Stronghold be their final destination? Killer or savior; the line can no longer remain blurred. Fantasy author David Dalglish continues his tale of retribution and darkness, and an underworld reaching for ultimate power in this never-before-released novel in the Shadowdance series following A Dance of Mirrors.
