Enjoy! Von Maxwell I have read the entire series and this part is just as good as all the others. If you are into action, betrayal and what not, this one is just right for you. Especially the fight scenes are described in such detail that you feel like you're in it. So, I love it!

Kurzbeschreibung Prove that you can stand against the darkness and live! Haern is the King's Watcher, born an assassin only to become the city of Veldaren's protector against the thief guilds. When Lord Victor Kane attacks the city, determined to stamp out all corruption, foreign gangs pour in amidst the chaos in an attempt to overthrow the current lords of the underworld. And when a mysterious killer known as the Widow begins mutilating thieves, paranoia engulfs the city. Haern knows someone is behind the turmoil, pulling strings. If he doesn't find out who - and soon - his beloved city will burn. Light or darkness: where will the line be drawn?
