Von Connie Brockway : A Dangerous Man: A Loveswept Classic Romance before purchasing it in order to gage whether or not it would be worth my time, and all praised A Dangerous Man: A Loveswept Classic Romance:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A nice read but not Brockway's bestVon Ein KundeThe book is enjoyable but I found the hero a little too physically rough with the heroine. If you've read other Brockways, this one is still a nice read. You can enjoy it. . .but the other's are better. "All Through the Night" and "My Dearest Enemy" have more well rounded characters and to me Brockway's "As You Desire" is superior to all of her other novels.

Kurzbeschreibung In this spellbinding novel, Connie Brockway dazzles with her penetrating insights into the impossible dreams and dark desires of the human heart. Mercy Coltrane, a brash young American woman, has arrived in England to search for her missing brother. Willing to risk anything in her quest, she seeks out the help of Hart Moreland, the mercenary her father enlisted years ago to protect his land when Hart was known as Duke the Gunslinger. Now Earl of Perth in his native England, Hart has turned his back on his past in order to achieve a hard-earned position of respect and power, and the last thing he needs is a reminder of his violent history. But Mercy proves to be much more than just a painful remnant of the world he left behind. Vibrant, witty, and beautiful, she embodies the possibility for happiness that Hart desperately craves. Includes a special message from the editor, as well as excerpts from other Loveswept titles. From Publishers Weekly After many years abroad, the mysterious and aloof Earl of Perth, Hart Moreland, returns to England for a house party celebrating the impending betrothal of his sister. When the outspoken and beautiful Mercy Coltrane appears on the scene, Hart knows he's in big trouble. It turns out that Mercy knows all about the elusive earl's past and, most importantly, remembers him from his Texas gun-slinging days when he shot her. The witty, endearing heroine and the cool, dangerous hero may be romantic clichés, but Brockway (*Promise Me Heaven*) keeps the repartee fresh. Things slow a bit after the intriguing prologue, but the pace builds again to an exciting and well-planned finale. Copyright 1996 Reed Business Information, Inc.
