KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. worth the readVon Ein Kundeyou have to read the other stories to really get the gist of the other 2 women bestfriends of Tess, our heroine in this book. It's about 3 daring women who want pick "Men to Do" before "Saying I do". This is Tess' story. She works as a plant lady for a famous man who due to his family's business is always has a beautiful woman on his arm. She decides that he will be her "man to do". Somehow, they burn up the sheets but for both it gets to be a trial to keep their emotions from showing. There's his "job" as an escort to famous and lonely women that keeps him from claiming Tess as his publicly and there's her own demons with the rich and famous and how they barrel through life without consideration for others outside of their little circle. It's a bit heavy at times and you really

need to read the other novels to get the whole picture. THE SWEETEST TABOO is one of the other books in this series. Definitely buy that one too.

Kurzbeschreibung Tess Norton knows that Dash Black is way out of her league. She just looks after his houseplants, for heaven's sake. But she can't resist a sizzling fling with the sexy media king before she settles for Mr. Ordinary someday. Dash has never experienced a woman like Tess in his life. Hot...sweet...sinful, she occupies his bed--and his mind--day after day. She's a welcome distraction in the New York frenzy that he calls home. For Tess, he knows he's just a man to do. Not a man to marry. But sometimes sex and romance can get all mixed up when you least expect it....
