Von Gene Stratton-Porter : A Daughter of the Land (Xist Classics) before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Daughter of the Land (Xist Classics):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Daughter of the Land Von Ein Kunde In many ways I preferred this book to A Girl of the Limberlost. It was less gaudily emotional but interestingly, the heroine's parents are also less than satisfactory, and the story honestly portrays the heroine's own difficulty loving her daughter as much as her son. Still, I was left with no real understanding of why she discarded the wealthy suitor for the boor! But it seemed a fairly accurate portrayal of society of the time. 0 von 0

Kunden fanden die folgende Rezension hilfreich. Superb!!!! Von Ein Kunde I loved this book almost as much as Laddie, and place it right next to A Girl of the Limberlost. The story touched me, and every girl that reads Stratton-Porter books must read this masterpiece. Touching!!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Superb!!!! Kurzbeschreibung A Headstrong Girl Dreams of Starting her Own Farm "We are all more interested in ourselves than in any one else in this world, until love comes; then we soon learn to love a man more than life, and when a child comes we learn another love, so clear, so high, so purifying, that we become of no moment at all, and live only for those we love." Gene Stratton-Porter, A Daughter of the Land In A Daughter of the Land by Gene Stratton-Porter, the author of so many classic novels featuring nature explores a woman's relationship with her family and their farmland. Synopsis Kate Bates is another Gene Stratton Porter, unsung hero in the tradition of Elnora Comstock, of "A Girl of the Limberlost", and "Freckles and Laddie", of books of the same name. As the youngest child, and female, in a large prosperous farm family, she has been designated as her mother's helper in old age. Kate finds this unfair since all of the brothers have been given land and the older sisters sent to teacher training. With the help of a nephew and sister-in-law, she defies her parents, becomes a teacher, leaves home. Her real ambition, however, is to own and cultivate a large farm. After rejecting the easy path to her dream, she suffers through a bad marriage but ultimately acquires her land and achieves happiness.
