**Von Aaron Elkins : A Deceptive Clarity (The Chris Norgren Mysteries)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Deceptive Clarity (The Chris Norgren Mysteries):

**Kurzbeschreibung** An American museum curator in Berlin must find a fake painting and a real killer in this mystery from the Edgar Award-winning author of *Switcheroo*. Chris Norgren, museum curator and Renaissance art expert, heads to Berlin to assist in mounting a sensational exhibit: *The Plundered Past*—twenty priceless Old Masters looted by the Nazis, thought for decades to be lost forever, and only recently rediscovered. But things quickly get out of hand when Chris's patrician, fastidious boss, after sensing a forgery in the lot, turns up dead the very next day on the steps of a dismal Frankfurt brothel, of all places. Now, Chris faces a daunting task: finding a counterfeit artwork among the masterpieces and an all-too-real killer whose sights are now set on him. *A Deceptive Clarity* is the first in the Chris Norgren Mysteries by the multiple award-winning creator of the Gideon Oliver Skeleton Detective novels—a celebrated master who thoroughly understands the art of the murder mystery (*The Philadelphia Inquirer*).
