Kann mich den ganzen begeisterten Stimmen nicht ganz anschlieen-3.5 Sterne!Von CustomerZugegebenermaen hatte ich ziemlich hohe Erwartungen an dieses Buch, da

es von vielen so hochgelobt wird und mit Hits wie "Slammed" verglichen wird. Natürlich konnte ich dem ganzen Hype nicht lange standhalten und kaufte mir das Buch. Ich muss sagen, dass ich das Buch zwar ziemlich gut fand, jedoch die ganzen Begeisterungsströme nicht so ganz nachvollziehen kann. Blue ist ein Charakter, der anfangs nicht leicht zu mgen ist. Sie suhlt sich in Selbstmitleid und lässt ihren Frust und ihre Wut an andere heraus. Mit der Zeit jedoch wird sie einem doch etwas sympathisch, auch wenn ich sie nicht vollständig in mein Herz einschließen konnte. Die Storyline ist mal eine etwas andere und unterscheidet sich definitiv in Bchern aus diesem Genre. Das Buch ist nicht sehr vorhersehbar und es gibt einige wirklich sehr interessante Wendungen, die mir wirklich gut gefallen haben. Die Liebesgeschichte fand ich ganz schn, jedoch konnte sie leider nicht wirklich mein Herz berhren. Was mir aber gut gefallen hat, dass Wilson und Blue zuerst fr eine sehr lange Zeit nur sehr gute Freunde sind, die freinander da sind. Insgesamt hat mir das Buch ganz gut gefallen und ich wrde es auch weiterempfehlen. Jedoch war es leider nicht ganz so gut wie anfangs angenommen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A beautiful story Von Anjlik There are many stories, some good, some ok and then there are stories you don't want to miss. This is one of those. It's not only the heroine's story that pulls you in but also the fact that the other characters have one too and joined together they make you think of your own story. I've read this story twice and both times I was touched. The author has woven a web of threads to tell us an absolutely beautiful story.

Kurzbeschreibung Blue Echohawk doesn't know who she is. She doesn't know her real name or when she was born. Abandoned at two and raised by a drifter, she didn't attend school until she was ten years old. At nineteen, when most kids her age are attending college or moving on with life, she is just a senior in high school. With no mother, no father, no faith, and no future, Blue Echohawk is a difficult student, to say the least. Tough, hard and overtly sexy, she is the complete opposite of the young British teacher who decides he is up for the challenge, and takes the troublemaker under his wing. This is the story of a nobody who becomes somebody. It is the story of an unlikely friendship, where hope fosters healing and redemption becomes love. But falling in love can be hard when you don't know who you are. Falling in love with someone who knows exactly who they are and exactly why they can't love you back might be impossible. Her books are now being published in 13 languages around the globe. She knew at an early age that writing was something she wanted to do, and divided her time between writing songs and stories as she grew. Having grown up in the middle of wheat fields without a television, with only her books and her siblings to entertain her, she developed a strong sense of what made a good story.
