Von Paul Scott : A Division Of The Spoils (The Raj Quartet) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Division Of The Spoils (The Raj Quartet):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Hard to see it all end...Von Debbie TerrillI hated to see this lush, vast series come to an end. However, as the Raj ends, so does the Raj Quartet. We see some of the natural conclusions of colonial rule, and of the love/hate relationships between the rulers and the ruled ... madness, depravity, love, denial... and the future, both of India and of the characters in the

series.

Kurzbeschreibung
BOOK FOUR OF THE RAJ QUARTET
The British Raj in India is in its final days. But the fall of the Empire is both the end of one era and the beginning of another. For the Hindus and Muslims, the political reality signals inevitable post-war recriminations and future territorial wrangles. For Guy Perron, Field Sergeant and historian, these last days are a time to reflect on the legacy the British has left behind in India. And for the British families still residing in India, decisions about their future must be made and final goodbyes must be said, all against the backdrop of one of the most turbulent periods of social change the world has ever seen.
Pressestimmen
A mighty literary experience.
The Times
Quite simply, monumental.
Washington Post
Werbetext
The Fourth and final title is a moving and fitting conclusion to Paul Scott's masterpiece, The Raj Quartet, dramatised for Radio 4
