Kurzbeschreibung If it were not for the full bladder that forced him to stop on the side of Highway 13 on his way to

Dot, North Carolina, Tim would never have found Sandy, naked and tied to a tree just out of view from the road. The citizens of Dot, a dying crossroads community near Charlotte, assume the couple is married since their last names are the same, and Tim discovers he has inherited a vast fortune from his "Uncle Pete Harlow." Sandy's attempts at respectability are impeded by ghosts of her past which lead to an attempted assault, a narrow escape from arrest when members of the Van Fans gang, to which she formerly belonged, are arrested by Sheriff Matt Dilson, and blackmail attempts by both John Baxter, the pastor of the Dot Baptist Church, and Deputy Cathy Long. Bondage, adultery, and non-stop sexuality highlight this first in a series of eight novels set in the fictive town, Dot, North Carolina.
