Sexy DreamsVon RobynA Druid of Her Own is the fourth book in the Druid series Immortal Highlanders. I have fallen in love with all of the OCaha men, or at time boys. Kennard and his cousins are on a mission to rid the earth or other world of a dark and evil man named Athol. Athol was a druid gone rogue. Never finding his true mate to set the

balance of good and evil within him, he chooses the dark arts. Kennard for centuries has been trying to fight and battle Athol with no win in sight. After what seemed to be an easy win the men decide for a little rest and relaxation at their favorite Bike Week event. This town holds some memories for Kennard when he battled Athol once before. As he is riding into town his attention and pull is for his one and only Mad Maggie! As these two come face to face it talks everything for Kennard to drive and not wreck his bike. Maggie is the local coffee/tea shop owner. Maggie has an uncanny ability to weave and work her mojo. Maggie and her best friend Maria are the only ones that know she is a witch. Kennard and Maggie cannot stop the connection and feel the pull of fated mates. How can they stop the Evil that has come to this town and infiltrated Maggies dreams? Will they find a way to save the world and themselves? This is a great story and funny Mandy Roth does a great job.0 von 0 Kunden fanden die folgende Rezension hilfreich. Magikal bad boy bikers and crazy mad baristas. A nightmare made in heaven.Von Jean SmithA Druid of Her Own is the first in the Druid series that Ive read. Im definitely interested in picking up the others in the series. Ive found I totally enjoy reading Ms. Roths books. This particular romance is a blend of fantasy and paranormal with its magic and wolf shifters. Anyone that has read their share of novellas and novels of varying lengths has probably noticed that the shorter the piece the more concise and tight the writer has to be with the storyline. This takes a lot of skill. Ms. Roth has the skill. But sometimes in being so concise and tightening things down so much to fit a smaller footprint there are some aspects of a story that arent as detailed as you might hope for as a reader. In this particular instance, it was the amount of actual romance you get to see happening. I truly dont think that Ms. Roth could have told the story differently, though. Thank heavens that its an accepted fact that wolf shifters know their mates almost instantly and not much wooing is needed.So, you might ask if there wasnt a whole lot of wooing going on, what was going on? The beginning of the story is all about getting to know Kennard OCaha, his cousins and the very real threat they have in the mage Athol. At one time Athol had been a Druid until he decided to walk the dark paths. Thinking they have finally vanquished their enemy they go off to celebrate. But a random hookup is the furthest from Kennards mind when he and his cousins ride into town. Nope nothing random will do when he sees the curly redhead. Distraction becomes the name of the game when the single-minded focus of his wolf leads him right to the door of her coffee shop. The chemistry is immediate. Sparks fly and lips lock. You get a real good sense of Kennards sense of humor and drop dead sexiness after all the seriousness of battle when he encounters Maggie. This is one bad boy alpha that is close to losing his control when presented with his mate, something just not done in the company of humans. Something that has our hero doing a kiss and run.So, what is our heroine, Maggie supposed to think? She has her hands full with managing her coffee shop, battling rogues and chasing demons, let alone a town full of people that call her Crazy Maggie. Nightmares have plagued her life. Power emanates from her core. Her best friend is a witch. Men who pay her a mind are what I wouldnt hesitate to call real douchebags. So, now she has Mr. Hotness playing hit and run on her definitely time for a girls night.It takes skill for an author to be able to take a few short scenes and give you such a fully developed sense of who and what her characters are about. Although you dont get a whole lot of wooing, what you get is distilled and powerful. If you havent guessed, Athol is so not out of the picture. Expect a few twists. As I said, I totally enjoy Ms. Roths stories. If you are looking for a great blend of fantasy, paranormal and romance then the Druid series will definitely fill the bill.\*\*\*\*\*Reviewed for Xtreme-Delusions\*\*\*\*\*0 von 0 Kunden fanden die folgende Rezension hilfreich. Will Kennard Save Maggie?Von Ingrid Stephanie JordanTitle: A Druid of Her Own:An Immortal Highlander Novella(Druid Series)Author: Mandy M. RothReviewer: Stephanie Jordan#Paranormal #RomanceThis Druid Of Her Own was a long time in the makings, but well worth the wait. Ms. Roth has a style of her own. I really loved this book, loved this Series.Kennard OCaha and his twin cousins Liam and Cillian O'Caha have chased and tried to kill the dark sorcerer Athol for a very very long time. Having just had him blow up into dust the three O'Caha's decided to celebrate Athols death. Riding there motorcycles to a lakeside town that not only had Christmas in July for the tourist attractions but bike week, soon it would be beer, sex and running in the wood under the moon. And then it happened all at once, as the motorcycles roll into town Kennard is compelled to look to the side only to see the most beautiful women he has ever seen, he's drawn to her, can't look away and Mad Maggie the Witch as everyone calls her in town was also looking at this beautiful hunk of a man oh but she wanted to climb him. Wouldn't it be nice if he had an accent and wore a Kilt like in the romance book she's reading. I was gifted this ARC for an honest and truthful review.My Personal Stars ScoresBook Cover Rating 5 StarsHero Rating 5+++ StarsHeroine Rating 5+++++++ StarsPlot Development Rating 5 StarsDialogue 5 StarsOverall Rating 5+++++++ StarsStorytelling Rating StarsStoryEnding Rating 5 StarsWould I Reread This Book??
