**Von Tom Lowe : A FALSE DAWN (Sean O'Brien Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A FALSE DAWN (Sean O'Brien Book 1) (English Edition):

Kurzbeschreibung Before the death of his wife, Sean OBrien makes a promise to her that he has no plans to break until he starts building a new life in an old cabin on a remote stretch of a tropical river in the heart of Florida. Its there that he discovers an injured young woman who whispers a cryptic message into his ear. As she fights for her life, Sean makes a promise to her, but to fulfill it hell have to end the vow he made to his dead wife, and hell have to face a criminal mind that has a tap root into his previous life. For OBrien to begin to live a new life, he must revisit the past where a brilliant criminal mind lies waiting to write a dark future. Pressestimmen "A False Dawn makes good reading for anyone longing to stumble upon an unpublished John D. MacDonald Florida mystery."--Booklist A darkly suspenseful, atmospheric thriller. Absolutely relentless. I refuse to believe that this is a first novel. Its just too damned good. Steve Hamilton, Award-Winning Author of Night Work
