Cosy, sweet Christmas readingVon Meks LibrarianIt is exactly what you expect from looking at the cover: A feel-good book for the holiday season, like some of the sugary movies made explicitly for Disney Channel on TV.And just like I enjoy all the Christmas cookies, chocolates and other sweets that come with the season, I enjoyed this story, being sure from

the start it was going to end well with smiles and hugs and love and happiness all around. Two young women, best friends since college, live together in Calgary. One of them runs a successful fashion business, the other one has just been made redundant from her job in accountancy. Both have, how else could it be, unhappy love stories in their past and don't think they can ever trust a man again. But guess what - by the end of the book, both ladies have not only found the loves of their lives, but also been welcomed into one of the wealthiest (and at the same time nicest) families in the area! To top it all off, they make an orphan girl very happy. Needless to say, every man and woman in the book is utterly gorgeous, the men are impressively fit and muscular, and the little girl is not only cute but also wise beyond her years. Oh, and don't forget the puppy to add just a tad bit more sweetness! Of course it isn't all plain sailing - both men conceal something important from the ladies, so that when those secrets come to light, they appear worse than they are and threaten the eternal happiness that seemed so close within reach. But surprise, surprise: by Christmas, all things are explained and all problems solved. Like I said, a nice, sugary Christmas read, but nothing you absolutely HAVE to put on your kindle for next Christmas. There were very few typos, so in spite of it having been a free ebook, I was not disappointed with the editing. It was my first book by Mona Ingram.

Von Kindle-Kunde Ich habe geschwankt zwischen 3 und 4 Sternen, doch da das Buch gut geschrieben war, die Atmosphäre getroffen, hab ich mich für 4 entschieden. Maddie, die durch den Tod ihrer Eltern finanziell abgesichert ist, wird entlassen. Ermuntert von ihrer Mitbewohnerin Lily Hsu, einer Designerin, erfüllt sie sich ihren größten Wunsch und eröffnet in einem großen Hochhaus ein kleines Geschäft, in dem sie Geschenke einpackt bzw. überhaupt Geschenke für andere, die dafür keine Zeit oder Ideen haben, besorgt. Sie freundet sich mit der zehnjährigen Annie an, deren beide Onkel Chase und Brent Drummond Chefs der riesigen Firma sind, in deren Komplex ihr Geschäft steht.... Und wie es so kommen muss: beide Männer sind attraktiv und haben einen tollen Charakter, und sowohl Lily als auch Maddie sind Singles, die schlechte Erfahrungen gemacht haben und Männern gegenüber vorsichtig sind. Eine sehr vorhersehbare Handlung, doch die Geschichte ist nett geschrieben, passt super in die Vorweihnachtszeit - unbedingt in dieser Zeit lesen! - und ist auch sprachlich leicht zu schaffen. Sie hat mich gefühlsmäßig nicht wirklich getroffen, doch als leichte Lektüre zwischendurch wirklich ok! Romantiker, die einen leichten Lesestoff für die Zeit vor Weihnachten suchen - bestellen und lesen!

Von Michaela V. Ein harmloser Liebesroman, auch für den nicht-Muttersprachler gut zu verstehen zudem mit WordWise. Für die Weihnachtsfeiertage eine schöne Lektüre, zudem auch noch gratis!

Kurzbeschreibung Unlucky in love, Maddie LaRocque moves to Calgary at the urging of her college roommate. Maddie's luck goes from bad to worse when she's laid off from her job two months before Christmas. Undeterred, she sets up a gift wrapping business in the lobby of the Drummond Building in downtown Calgary where she meets Annie, a ten-year-old who has recently lost her parents. When Maddie falls into the arms of the building's maintenance man it looks as though her luck is changing, but she soon learns that Brent isn't who she thought he was. Maddie's roommate Lily hasn't fared too well in the romance department either, having been used for her beauty and Asian heritage by a man in Calgary. The moment Chase Drummond spots Lily, he's stunned by her beauty, but Lily resists his advances, unwilling to have her heart broken by the most eligible bachelor in town. Will a young orphan girl be able to convince the two women that love is the best gift of all this Christmas?
