Von Donna Alward : A Family for the Rugged Rancher (Rugged Ranchers) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Family for the Rugged Rancher (Rugged Ranchers):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A cozy read.Von Gerd DrnerNice short novel that gives you exactly what you expect to get. Not much surprises to it and at other times the perfect family tune it plays might have grated on me, but sometimes all you want to read about is two

people finding together, and for those it's perfect. I much liked the way the author put her focus on what drives these characters emotionally, the different ways in which they got hurt and how they finally learn to overcome their fears and learn to trust anew. My only small niggle with it was a bit of head hopping going on in a few chapters. But overall I enjoyed reading it a lot.
