Von Elyssa Henry : A Family for the Sheriff (Family Matters) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Family for the Sheriff (Family Matters):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The South is known for its engaging romances. This is one.Von Ein KundeThe story of Joe and Maria is both charming and engaging. There are elements of the classic drama of gothic southerners, the powerplays and gossip of a small town, and the romance that blossoms despite itself. Elyssa Henry shows that love is part of the circle of life, and that everyone is subject to its law. The seeming coincidences that everyone notices when first in love are highlighted in this book, life-like in how people are drawn together by forces that could split them apart. I enjoyed the author's attention to detail, and vivid descriptions of the setting. No one could doubt that the story takes place in the South, and the tense confrontations between the traditional Old South and the "yankee-fied" New South are especially accurate. A

thoroughly enjoyable read.0 von 0 Kunden fanden die folgende Rezension hilfreich. I read "A Family" in one evening! Von Ein Kunde I'm drawn to author's whose characters come to life and, in "A Family for the Sheriff", Elyssa Henry did a superb job! I also really enjoy tales about people who seem real rather than larger than life. If you've ever visited or lived in a small southern town, you'll agree that Ms Henry is right on target! Is this a new author? I'm trying to find other titles written by her and I haven't had any luck as yet...0 von 0 Kunden fanden die folgende Rezension hilfreich. A happy book... Von Melissa This was a nice, good, short read. I enjoyed it very much. The small town "stuff" that happened was very believable.

Kurzbeschreibung FAMILYMATTERSI FOUGHT THE LAW Joe Roberts was tenderhearted and incredibly sexy, but he was a lawman just like the man who had broken Maria Lightner's heart in the past. Maria tried to ignore Joe, but her little boy had other ideas. He wanted a daddy and had chosen the new sheriff as his perfect father. What was a single mother to do? AND THEN I MARRIED HIM! A wife and child were the last thing on Joe's mind when he came to town. But Maria and her adorable son had shown him what he was missing. A home. A family. The kind of love a man couldn't walk away from. What was a marriage-shy lawman to do? Kisses, kids, cuddles and kin. The best things in life are found in families! Kurzbeschreibung FAMILYMATTERSI FOUGHT THE LAW Joe Roberts was tenderhearted and incredibly sexy, but he was a lawman just like the man who had broken Maria Lightner's heart in the past. Autorenkommentar My book is about losing someone you love. I lost my mother last year to breast cancer. Losing a loved one is always difficult. Starting your life again is even harder. In A Family for the Sheriff, my husband and I wanted to explore the choices that always face the people left behind. The guilt that comes when you think you might be forgetting. But it is possible to start over, as Maria and Joe do in our story. Life completes its circle. Our loved ones would want us to go on. For my mother, Joan Koch. I love you, Mom!
