Kurzbeschreibung
Readers can't help but get entangled in this USA Today bestselling series. This summer in Sea Harbor, Massachusetts, one of the Seaside Knitters gets tangled up with a precocious granddaughter, and another stands accused of sending a local resident on a permanent vacation. As Izzy and the Seaside Knitters prepare her yarn studio for the tourist season, fellow knitter Birdie Favazza has her hands full with her granddaughter Gabby. The little girl soon becomes a fixture in the town and even strikes up a friendship with a reclusive local fisherman, Finnegan, who is the source of much local turbulence. Then lobsterwoman Cass Halloran stumbles over the old fisherman's body covered with leaves and sea grass and wearing the yellow fleece vest she once made for him. When Cass becomes a suspect in his murder the Knitters must rally to protect their friend. Soon the Seaside Knitters will discover that caring for Gabby while casting their net for a killer is a tricky business, indeed. They'll have to keep their wits about them as they piece together the clues or one of their own will wind up knitting behind bars.
