loved this book! Von Ein Kunde I have finally been prompted to write a review. As a historian myself and fan of the author's first book 'Unhallowed Rites' I think Clara's journey through Europe and various sexual experiences is erotic and fascinating and a pretty accurate depiction of the Grand Tour. A fascinating erotic travelogue - hot and very perverse Von Ein Kunde This book takes us on a sexual and geographical journey. I liked the themes of the senses and the somewhat bizarre encounters Clara gets involved in. I also loved the erotic clothes and settings.
