Title: A FLIGHT WITH HER DRAGON

If you read my first and second review for this author you see the story of Aidan and Jax and now we have Jaydan, I love the name Jaydan. Jaydan Auger was the last brother to find his mate. What a site she was, no way could he believe that the woman climbing on his truck was his mate. Jaydan never thought he would find her. Especially since he was the oldest and both his brother's already found their mates. NOW he must wine and dine her so she will fall in love with him. Jaydan wasn't a charismatic kind a guy, he didn't say mushy romantic things. Kelsie Bell loved her Victorian Home she inherited from her grandmother. Going to estate and yard sales was so much fun, she just loved it. Kelsie had to pass up many beautiful deals because she didn't have a way to transport everything. Then she saw a vintage truck for sale, it was just perfect. The owner was perfect too, mouth watering, jaw dropping handsome. Then he started talking and Kelsie could only stare than he acted cocky and the sassy Kelsie's came out. Besides men like him didn't go for BBW that's for sure, but that doesn't stop her from being attracted to him. OMG he asked me to go out to dinner. I was gifted this ARC for an honest and truthful review.

A Flight with Her Dragon is more in keeping with what Ive come to expect from a good PNR. There is definite heat between Kelsie and Jaydan from the get go. Their encounter with the enemy happens much sooner than in the previous book about Jaydans brother, Aidan and adds a sense of urgency that was missing previously. Jaydan and Kelsie are really well suited with his car restoration business and her interest in antiques. All that aside, she is dumped in the deep end rather quickly when it comes to finding out about Jaydans dragon and the paranormal world. Things are looking to go rather smoothly when Kelsie is kidnapped by their enemy. Itll be a challenge retrieving her and defeating the enemy. I enjoyed A Flight with Her Dragon and would recommend it to anyone looking for a short shifter romance with a bit of magic and suspense. \*\*\*\*\*
