Von Lynn Collum : A Game of Chance (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Game of Chance (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fun ReadVon Ein KundeI hadn't read a romance in years until someone recommended this book. A lovely story with

humor and sweet romance. I gave it to my granddaughter.0 von 0 Kunden fanden die folgende Rezension hilfreich.

KurzbeschreibungLucky at cards . . . Lydia Whitney, the daughter of a notorious gambler, guesses that she's inherited her father's luck when she tumbles out of a tree . . .into the arms of the Earl of Stanford! Fortune smiles on her once again--or so she thinks-- when Stanford hires her as companion to his aunt. What he neglects to mention is that Aunt Carolyn is also an incorrigible gambler who is in danger of wagering away the family fortune. Will this lady be unlucky in love? Nothing would please Carolyn more than to have "Faro Freddie's" daughter by her side at the elegant gaming halls of London. And nothing would dampen Lydia's blossoming romance with Stanford faster than for him to discover her identity. Now bedecked in dazzling gowns and whisked through the glittering ballrooms of the ton, Lydia knows she is playing a dangerous game . . .a game where all of her dreams of love could be won . . .
