**Von Johanna Lindsey : A Gentle Feuding** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Gentle Feuding:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Not up to Lindsey's usual standards . . .Von MandyHaving enjoyed nearly all of Ms. Lindsey's work, I was vastly

disappointed with *A Gentle Feuding*. It seemed to be missing a bit of the polish I usually associate with Johanna Lindsey's books. It was not as descriptive as I would have liked. I much prefer being transported to new and wonderful places through the words of an author. Lindsey usually accomplishes this commendably but her talent for the descriptive was missing in this book. Also, the characters were shallow, not well developed and came off flat. Sheena seemed preoccupied with her looks, almost to the point of being narcissistic. I didn't like her attitude toward her sisters at all. She repeatedly stated that they are plain and that she is everyone's favorite, trying unsuccessfully to cover up her superficiality by bemoaning how her looks are such a burden. It just gave me the impression of someone who was entirely too full of herself. Granted, the sisters are not all that pleasant, but one has to wonder if this doesn't stem from the fact that Sheena boasts of her better looks and that she is quite certain she is the favorite of everyone she meets. I would rather a beautiful heroine not be aware of her beauty. Jamie, I'm sad to say, is not much better. He's also full of himself and even seems to have an underlying cruelty. He comes across as hard, unyielding and arrogant. By the end of the book I didn't really care what happened to either of them but I did feel that they deserved each other. If you're looking to find Lindsey at her best, try the Viking trilogy, the Malory saga, or the Ly-San-Ter series. This receives three stars only because it is Lindsey and the fact that everyone is entitled to an off day.0 von 0 Kunden fanden die folgende Rezension hilfreich. a simple, but sweet love storyVon Ein KundeThis novel has the most beautiful heroine and she makes the story shine! Another thing I like about this novel is that Jamie and Sheena are in the same age group. I only wish the book was longer. It would be interesting to see what these two characters are like in ten year's time. They both have such fiery tempers! I wish there were more fighting scenes because those are almost always the most fun.0 von 0 Kunden fanden die folgende Rezension hilfreich. A Wonderful Reading ExperienceVon Laura Lee HendersonEven though I don't normally read romance novels or a book more than once ---- I love this book and Jamie is truly my ideal of a gentleman. I picked up this book a couple of weeks ago and have already read it twice and I plan on reading it again and again. I only wish I could've lived in that time frame and found someone as handsome inside and out as the hero -- Jamie.

KurzbeschreibungDuty demands that Sheena, the beautiful jewel of the Fergusson clan, wed to end the violent feud that has devastated her family. But never could she give herself completely to the handsome and dangerous laird Jamie MacKinnion - the most feared man in the Scottish highlands. The captive prize of Jamie's sword, Sheena struggles in vain to escape the desire awakened by his touch. And though pride insists she hate her dashing enemy, Sheena's heart begs her to yield...and to surrender to Jamie's passionate love.
