Excellent excerpt - I was captured from the first line!Von Ein KundeI read the excerpt from this book, and it was EXCELLENT! I do not usually read the Historical romances, but I had decided I definitely needed a change of pace. I have been reading Harlequin romance(intrigue, silhouette,temptation) novels for years. For something different, I decided to give Historical romance a try. I read the excerpt from "A Gentleman Of Substance". Well, I certainly wasn't disappointed! It captured my attention from the very first line! Drake is such a strong-willed, no nonsense person, and I look for that type of character in the books I choose to read.I haven't had a chance to purchase the book as of yet, but I am certainly looking forward to it. If the entire book holds my interest like the excerpt did, well, I think I will

definitely be sold on historical romances. Keep up the EXCELLENT work, Deborah! I look forward to many, many hours of enjoyable reading from your books! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Author's 2nd example of fantastic mesh of fiction history Von Darcie Johnson Deborah Hale exhibits a wonderful talent for meshing a fast paced romance with use of historical and literary references. Not only does one come away feeling satisfied at having read a good story, but also with the feeling of being a bit more learned in history and literature. Ms. Hale is obviously well-read and uses her knowledge to incorporate depth and intelligence into her characters. Definitely an enjoyable read. Bring it on your next vacation. It will not disappoint. 0 von 0 Kunden fanden die folgende Rezension hilfreich. I LOVED IT! Von Ein Kunde I loved Deborah Hale's book, A Gentleman of Substance. As a matter of fact, I don't usually read Historicals, but after reading this one, I'm a convert. Besides the fact that the story is compelling, it is also very visual, romantic and a real page turner. The historical detail was excellent in her book. It was extremely well written and I can't wait to read her next book.

Lucy Rushton finds herself in the worst predicament for an unwed vicar's daughter in Regency England -- standing over the grave of her charming fianc, Jeremy Strickland, on the very day she realizes she is pregnant with his child. When Jeremy's brother, the brusque and aloof Drake Viscount Silverthorne finds out about Lucy's condition, he offers her marriage, to rescue her reputation and to claim the child as his heir. This cool, practical arrangement is soon put to the test as Drake and Lucy learn more of each other. Soon they are hard pressed to master their unbidden desire for one another. Their budding love is threatened by Drake's scheming relatives, who will do anything to keep from being disinherited. "A Gentleman of Substance has a nearly flawless plot, well-dimensioned characters and a flame that will set your heart ablaze with every emotion possible! 5 Stars!" - Affaire de Coeur
