Series Von Shopgirl 1974 Sadly this is the last book in the Ghosthunting Series. It could have a follow up with certain stories not told to the end, but it is -as always- a great book to read. I hope M.J. will have visit Abby in the psychic Eye mysteries.

Kurzbeschreibung Medium M. J. Holliday battles demons in the tenth Ghost Hunter Mystery from the New York Times bestselling author of No Ghouls Allowed. M.J., Heath, and Gilley, are back home in Boston, where their new film is sure to be a monster hit! To promote the film, the studio is sponsoring a special exhibit of supernatural artifacts at a local museum. Unfortunately, Gilley whose mind is engaged with wedding plans gets talked into donating to the exhibit the very dagger that keeps the dangerous ghost Oru and his pet demon locked down in the lower realms. Before M.J. can recover the bewitched blade, there's a murder and a heist at the museum, and the dagger is stolen. Now Oru is coming for M.J. and her crew, and he's bringing with him some fiendish friends from M.J.'s haunted past. She, Gilley, and Heath are certain to be in for a devil of a time. M.J. may even need to recruit a certain skeptical Boston detective to help stop the paranormal party crashers from turning Gilley's wedding bells to funeral knells. . . . From the Paperback edition. *Pressestimmen* Praise for the New York Times Bestselling Ghost Hunter Mysteries Quickly paced and cleverly constructed mystery...[M.J. is] endearingly goofy, insanely brave, and loyal to a fault, she injects both humor and heart into a story. *Smitten by Books* A fearsome, thrilling tale...this terrific read hits on all cylinders. *Suspense Magazine* Delightful...Laurie nicely balances goofiness and terror. *Publishers Weekly* Induces chills while never losing its sense of humor or fun. *Kings River Life Magazine* Kurzbeschreibung Medium M.
